TOTAL CREDITS = 130 - 134

* Certification in Communication as well as English may be earned by taking an additional six (6) credits in specified English, Communication, and/or Theatre courses (see other side). This option is feasible if the student enters GCC with the Foreign Language Requirement already met, or if the student takes some courses in Intersession or summer school. If not, the student must complete 134 hours for graduation, with no general elective hours, to meet the Communication certification requirements.

** EDUC 305 and 308 must be taken concurrently in the semester immediately preceding the semester in which the student does EDUC 431- Student Teaching. As EDUC 431 may be scheduled for either fall or spring, these two courses will usually be done either in spring of the junior year (as shown above, with EDUC 431 following in fall of the senior year), or in fall of the senior year (with EDUC 431 following in spring of the senior year; the student should consult with his/her academic advisor regarding appropriate course/plan adjustments).

NOTE: This is a suggested plan only. Some courses may be taken at different times than those listed above – again, the student should consult with his/her academic advisor regarding appropriate course/plan adjustments.
