Total earned hours required to graduate: 128

* Course only offered in the fall

** Course only offered in the spring

❖Offered alternate years

Notes:

- Students who plan to take Greek and attend seminary should wait to take Greek during junior and senior years for easier transition into seminary.
- Many upper-level electives in both the HIST/THEO/PHIL and BIBLICAL STUDIES areas are offered in every semester and even in some intersessions. They may be taken in any order as there are no prerequisites. Just remember that 300-level courses will be more demanding than 200-level courses.
- No college credits are earned when a student receives a language waiver. When a waiver is earned, the credits currently assigned to foreign language study must be fulfilled through general electives of the student's choosing.
