This event provides an opportunity for pre-service teachers to meet with local administrators. From understanding the impact of social media to navigating the application process, aspiring teachers will learn the critical aspects of succeeding in the job search.

Attendees will rotate through the sessions that will better prepare them to obtain a teaching position. Mock interviews will be conducted for all those interested and feedback will be provided to participants.

- Participation in this event provides a one-year membership to WPASCD
- Registration is due by April 21, 2014
