Here are some examples of goals and objectives that you could include on your internship application:

* Experience the classical school environment
* Observe and evaluate a variety of teaching methods
* Learn to prepare a lesson plan
* Observe how to engage students in learning
* Practice leading classroom discussions
* Teach lessons
* Discover which grade level I am most suited for
* Discuss the goals and motivation as well as the effectiveness of a classical Christian education
* To get a feel for whether or not I would enjoy teaching as a career
* Gain a valuable knowledge and understanding of the classical education movement
* Learn various classroom management strategies
* Interact as a professional in a formal education environment
