Transfer Credit Policies

Grove City College does not grant credit for any experience in which a student is paid by the federal government, for whatever reason, to enroll in a class. Therefore, students interested in enrolling in this course may not receive federal funds to pay these course credits. This includes Pell Grants, FSEOG, TEACH, Iraq and Afghanistan Service Grants, Federal Work-Study, GI Bill/Veteran benefits, federal loans or any other federal program.

Grove City College accepts credits for transfer from any regionally accredited college or university, provided the grade earned is "C" or higher. A student who wishes to take courses at another institution for transfer to Grove City must obtain written clearance from the course(s) Department Chairman, his/her academic advisor, and the Registrar's Office before the work is begun. Courses that do not have a letter grade or grade of "Pass" will not be accepted. "Satisfactory" grades are not accepted unless the transcript defines those grades as "C" or higher. Credits for remedial, developmental, and technical courses are not transferable to Grove City College. Transfer credits do not enter into the computation of a student's quality point average at Grove City College.

No credit from other institutions is accepted as applying on the last thirty-two (32) semester hours for a degree to be granted from Grove City College, except as approved by the Registrar.

Students may not take courses at another institution concurrently with classes at Grove City College during the fall or spring terms.

Quarter-hour credits (two-thirds of a semester hour) taken will be converted to semester credits at Grove City College (e.g., 6=4.00; 5=3.33; 4=2.67; 3=2.00; 2=1.33; 1=0.67).

Instructions for Transferring Credit to GCC:

- Submit this form with all signed approvals to the Registrar's Office **before** enrolling in the college of transfer.
- **When the off-campus study is completed, an official transcript from the college attended must be sent directly to Grove City College before credits will be accepted and/or applied to the GCC transcript.** Mail the official transcript to:

Registrar's Office
Grove City College
100 Campus Drive
Grove City PA 16127-2104

- Grade reports and unofficial transcripts given to the student **will not** be accepted for transfer credit.

If you have questions regarding this document, please contact the Grove City College Registrar's Office at 724-458-2172 or Registrar@gcc.edu.
