

# Grove City College Status Sheet

Status Sheets are provided as a convenience for the student and may be helpful for recording completed courses. However, the College Bulletin is the controlling authority on all requirements. Questions should be directed to your academic advisor or the Registrar. (WI)=Writing Intensive, (SI)=Speaking Intensive, (IL)=Information Literacy courses.

- \*COLLEGE FOREIGN LANGUAGE REQUIREMENTS.....**
- Grove City College requires all B.A. graduates and non-science B.S. graduates to demonstrate a "second year" proficiency in foreign language. The standard for determining the language course needs for each student is based on the following:
- 1) Students who have studied three years of the **same** foreign language in high school with a "B" average or better will be exempt from further language study.
  - 2) Students who have studied two years of the **same** foreign language in high school with a "B" average or better will normally begin college language study at the second year level. Upon completion of that year, the student will have met the language requirement.
  - 3) Students who score an acceptable level on one of the Advanced Placement foreign language achievement tests will receive college credit and may be eligible to complete the requirement by taking the second year language courses.
  - 4) Foreign languages offered at Grove City College include French, German, Spanish and Greek.

**FOUNDATIONS OF THE SOCIAL SCIENCES..... 3 HOURS**  
 Choose one social science course from the following:

ECON 120 Foundations of Economics			
EDUC 201 Foundations of Education I

See the reverse side for a complete listing of all majors offered by Grove City College, along with department chair contact information. Students who are undecided about a choice of major are encouraged to seek counsel from their assigned advisor, Career Services personnel, and/or department chairs of areas of interest. It is advantageous when scheduling classes to have a specific major on record rather than to remain undecided, since certain classes are reserved first for students enrolled in specific majors, and non-majors are blocked from enrolling in a desired class.

Once a major has been chosen, a "Change of Major" form must be completed and turned in to the Registrar's Office. This form may be downloaded from [http://www.gcc.edu/registrar/forms\\_docs.htm](http://www.gcc.edu/registrar/forms_docs.htm).
