*If the language requirement is waived, required hours total 131. If a language is needed, the minimum total hours required is 137, and if the elementary level language courses are needed to successfully complete the intermediate level, 143 total hours will be needed. It is advisable to complete the language requirement by the end of the sophomore year, and intersessions or summer transfer courses will likely be necessary to finish all requirements in the 4-year time span.
