***COLLEGE FOREIGN LANGUAGE REQUIREMENTS**

Grove City College requires all B.A. graduates and non-science B.S. graduates to demonstrate a "second year" proficiency in foreign language. The standard for determining the language course for each student is based on the following:

- Students who have studied three years of the **same** modern, widely-spoken foreign language in high school with a "B" average or better are exempt from further language study.
- Students who have studied two years of the **same** moder, widely-spoken foreign language in high school with a "B" average or better will normally begin college language study with the 201 intermediate language course. Upon successful completion of the 201 and 202 courses in the same language, the student will have met the language requirement.
- Students who have studied three years of the **same** classical language in high school with a "B" average or better will fulfill the foreign language requirement by completing one of these options:
 - 6 credit hours of approved international culture courses (refer to the Bulletin for details); or
 - The 101-102 elementary sequence of college-level courses in the same modern language, such as first-year Chinese, French, or Spanish; **or**
 - A score of 4 or higher on an Advanced Placement Language exam in Chinese, French, German, Italian, Japanese, or Spanish.
- Students who have studied the **same** classical language for two years in high school with a "B" average or better will fulfill the foreign language requirement by completing one of these options:
 - Latin 201 and 202 (offered infrequently), Greek 201 and 202, or Hebrew 201 and 202; and 6 credit hours of approved international culture courses (refer to the *Bulletin* for details); **or**
 - The 101-102 elementary sequence of college-level courses in the same modern language, such as first-year Chinese, French, or Spanish; **or**
 - A score of 4 or higher on an Advanced Placement Language exam in Chinese, French, German, Italian, Japanese, or Spanish.
- Students who receive credit for 201 and 202 level in Chinese, French, German, Italian, Japanese, or Spanish through an Advanced Placement foreign language exam will have met the foreign language requirement.

Foreign languages offered at Grove City College include Chinese, French, and Spanish.

Grove City College believes that these requirements help promote a high level of cultural literacy and communication skills that are necessary in order for students to be competitive in our emerging global economy.
