\*Students choosing to complete an internship experience for both the Management Major Core elective and

management concentration may not use a single internship experience to fulfill both requirements. In order to

receive internship credit in both areas, students must complete two 3-credit internships, recommended during

the summer following the sophomore and junior years.

Note that this is a suggested, not required, plan. Students should consult with their academic advisor concerning specific courses and course loads per semester and to develop plans that are compatible with individual students' situations.

Note: No college credits are earned when a student receives a language waiver. When a waiver is earned, the credits currently assigned to foreign language study must be fulfilled through general electives of the student's choosing.
