Notes:

- Students who plan to take Greek and attend seminary should take Greek during the junior and senior years to aid in an easier transition to seminary.
- Many electives in the various categories are offered every semester or in Intersessions. Those without prerequisites may be taken in any order. However, 300 level courses will be more demanding than 200 level courses.

Note: No college credits are earned when a student receives a language waiver. When a waiver is earned, the credits currently assigned to foreign language study must be fulfilled through general electives of the student's choosing.
