TOTAL CREDIT HOURS REQUIRED = 128-133

*Note: Certification in Communication as well as English is earned by taking an additional six (6) credits in specific English, Communication, and/or Theatre courses (see reverse side). This option is feasible if the student enters GCC with the Foreign Language Requirement already met, or if the student takes some courses in intersession or summer. If the Language Requirement is not met, the student must complete 133 hours for graduation, with no general elective hours, to meet the Communication certification requirements.

As EDUC 450 may be scheduled for either fall or spring, these two courses will usually be done either in spring of the junior year (as shown above) or in fall of the senior year with EDUC 450 following in spring of the senior year. The student should consult with his/her advisor regarding appropriate course/plan adjustments.

Please note that this is a suggested plan only. Some courses may be taken at different times than those listed above - the student should consult with his/her advisor regarding appropriate course/plan adjustments.

Note: No college credits are earned when a student receives a language waiver. When a waiver is earned, the credits currently assigned to foreign language study must be fulfilled through general electives of the student's choosing.
