### A total of at least 129 credits of coursework are required for graduation.

128 total credits of coursework are required if you are granted a language waiver.

EDUC 327 should be taken in the sophomore year prior to other methods courses.

EDUC 323 and 326 should be taken in the junior year.

Note: No college credits are earned when a student receives a language waiver. When a waiver is earned, the credits currently assigned to foreign language study must be fulfilled through general electives of the student's choosing.
