# PRESIDENT RICHARD JEWELL

Dr. Dick Jewell is a 1967 graduate of Grove City College as well as a graduate of the University of Michigan Law School. He begins his 10th year as Grove City College's eighth President.

Prior to joining the College, Jewell had a long private sector career as both a trial and corporate attorney as well as being a shareholder and director of the nation's largest forensic accounting firm.

He also directed the applied research operations of the University of Pittsburgh, reporting to the Chancellor.

Prior to becoming President in September 2003, Jewell had a 40-year relationship with the College as a student, national alumni president and longtime Trustee.

Jewell graduated cum laude from Grove City with high honors in political science.

In addition, he captained the 1967 swimming and diving team and won two Penn-Ohio Conference diving championships.

He served as editor-in-chief of *The Collegian*, the College's newspaper, as well as president of the Student Government Association. He earned Grove City College's Omicron Delta Kappa Senior Man of the Year award in 1967.

Jewell entered the College's Swimming and Diving Hall of Fame in 1989 and received the College's Distinguished Alumni Service Award in 2001.

He first joined the College's Board of Trustees in 1974 and prior to his selection as President, he served on the Executive Committee and chaired the Board's Development Committee.

He also served as co-chairman of the College's capital campaign and as past president of the Alumni Association.

Jewell currently holds faculty rank in the business department as professor of business law and public policy.

A veteran, Jewell served in the U.S. Army from 1969-1971. Jewell and his wife Dayl, a retired PNC Bank vice president, have an adult daughter, Jessica.

# ATHLETIC DIRECTOR DON LYLE

Dr. Don Lyle is in his 11th year as athletic director at Grove City College.

Lyle is Chairman of the Department of Physical Education and Athletics and Athletic Director.

In that role, Lyle oversees the College's fitness and wellness program, its newly-developed exercise science major and Grove City's 19-sport varsity athletics program.

Lyle coached Grove City's men's soccer team from 1972 to 2005. As head coach, he led the Wolverines to six post-season berths, including a pair of trips to the NCAA Championship Tournament.

In 2005, his final season as head coach, Lyle guided Grove City to its first-ever outright Presidents' Athletic Conference title and a trip to the finals of the Eastern College Athletic Conference Southern Championship Tournament. He earned the PAC's Coach of the Year award that year.

Lyle also directed Grove City to a share of the PAC men's soccer title in 1996 as Grove City went 16-2. The Wolverines set a school record for victories in a season and won their first ECAC title.

Lyle-coached teams also advanced to post-season play in 1976, 1980 and 2000. In 34 years as head coach, he compiled a 277-206-37 record. The College inducted him into its Men's Soccer Hall of Fame in October 2006.

Lyle also started the women's softball program at Grove City, posting a 91-61 (.599) record from 1980-88 as head coach. He remains the program's all-time wins leader. Lyle then spent nine years as baseball coach at Grove City.

In addition to his academic duties as department chair, Lyle is a professor of physical education. He is also chairman of the Grove City College Athletic Hall of Fame Selection Committee.

A native of Calcutta, Ohio, Lyle earned his bachelor of arts degree from Muskingum College in 1971. He earned his master's degree in education from Miami of Ohio. Lyle received his doctorate from Indiana University of Pennsylvania.

Lyle and his wife Barbara live in Pine Township. They have three adult children and nine grandchildren.

# **HEAD COACH STEVE LAMIE**

A 1985 magna cum laude graduate of Grove City College, Steve Lamie enters his 15th season as the Wolverines' head men's basketball coach.

In his 14 seasons at the College, Lamie has directed the Wolverines to four Presidents' Athletic Conference championships, six postseason berths and national and regional acclaim in numer-

ous statistical categories.

In 2010, he earned the National Association of Basketball Coaches (NABC) Great Lakes Coach of the Year award after directing the Wolverines to a 19-9 record, the PAC title and a berth in the NCAA Division III Championship Tournament.

In 2007, Lamie led Grove City to one of the most improbable championships in PAC history as the Wolverines captured the conference tournament after entering as the fourth seed.

Overall, he has a 191-176 record since taking over as head coach in June 1998.

Lamie guided Grove City to the PAC championship in 2003 as the Wolverines downed Thiel in the conference title game, 60-59, in Greenville.

The 2002-03 Wolverines ranked in the top 10 nationally in both field goal percentage and rebound margin while finishing 18-9, the fifth-best season in school history.

Grove City also hosted its first-ever ECAC playoff game in 2003 as the Wolverines hosted Neumann College in a quarterfinal game.

In 2001-02, the Wolverines finished second in the nation in rebound margin and held their opponents to less than 38 percent shooting from the floor.

Grove City also finished among the national leaders in field goal percentage in 2004-05. Last year, Grove City led the conference in scoring defense.

In his first season, the Wolverines captured the Presidents' Athletic Conference championship and advanced to the ECAC Championship Tournament.

He has also coached six 1,000-point scorers in former standouts Tanner Prosser, Ryan Eller, Shawn Carr, Ryan Gibson, Andy O'Keefe and Brett Matson.

O'Keefe also earned CoSIDA Academic All-America honors in 2010. Three Grove City players have earned Academic All-District during his tenure.

Lamie is the 21st head men's basketball coach in Grove City history. Prior to becoming head coach, he assisted longtime head coach John Barr for four seasons.

The Wolverines won 16 games in consecutive seasons and reached the ECAC tournament in each of Lamie's first two years as an assistant.

Lamie played four years under Barr, earning the team's hustle award and co-captain honors as a senior.

As a sophomore during the 1982-83 season, he helped Grove City advance to the NCAA Division III Championship Tournament as the Wolverines set a school record with 21 victories.

His coaching career began as an assistant at Cedar Crest High School in Lebanon, Pa. After four seasons at Cedar Crest, Lamie spent two years as a graduate assistant at Kent State, earning his master's degree in biology in 1991

Lamie then returned to the high school ranks for three seasons as a head coach. After one year at Palisades High School in Kintersville, Pa., Lamie led Perkasie, Pa.-based Pennridge High School to the District I playoffs in 1994, ending a six-year drought.

Lamie is an assistant professor of physical education and exercise science.

His wife Melissa recently completed her 20th season as Grove City's head women's soccer coach. She is also Grove City's head golf coach.

The Lamies reside in Pine Township with their daughter, Melia, 12, and infant twins Caleb and Rayna.

# **Assistant Coach Sean Severson**

Sean Severson is in his ninth season as the assistant men's basketball coach at Grove City College.

As the top aide to head coach Steve Lamie, Severson is heavily involved in opponent scouting, practice planning, player development and recruiting.

He has helped Grove City

capture two Presidents' Athletic Conference titles and four postseason berths since coming to campus.

Severson joined the Grove City staff during the summer of 2004 after working as a graduate assistant at Adams State College in Alamosa, Colorado for two seasons.

While at Adams State, Severson worked as an assistant men's basketball coach as well as a graduate assistant athletic trainer.

A native of Menomonee Falls, Wis., Severson earned a bachelor of arts degree in athletic training from the University of Minnesota-Morris in May 2002.

At Minnesota-Morris, Severson captained the basketball team and earned Academic All-Conference recognition from the Northern Sun Conference three times. He also earned Dean's List honors at Minnesota-Morris.

Severson earned his master's degree in health, physical education and recreation in 2004 from Adams State.

He is also the head cross country coach and an assistant professor of physical education at Grove City.

Grove City's women's cross country team has won Presidents' Athletic Conference titles in each of his nine seasons as coach.

The women's team earned its first-ever trip to the NCAA Championships in fall 2010. In 2011, he guided the women to a fifth-place finish at the NCAA Mideast Regional Championships.

Grove City's men have won six cross country crowns in seven years. He earned the PAC's women's cross country Coach of the Year award in 2004, 2005, 2007 and 2010.

A Grove City runner has qualified for the NCAA Division III Championships in seven of his nine seasons under Severson's guidance, including two-time All-American Elisa Pedersen and 2007 NCAA All-American Kristen Carter.

Severson lives in Grove City with his wife, Tara, and their four daughters.

# SEASON PREVIEW

The 2011-12 season proved to be a great learning experience for the Grove City College men's basketball team.

Although the Wolverines fielded the youngest squad in recent program history, Grove City still featured a six-win improvement that included several notable victories.

This winter, a seasoned - but still very young - Wolverine squad will look to return to the Presidents' Athletic Conference's elite.

Grove City has just two seniors and one junior on its roster. However, eight total letterwinners return, including five current sophomores who lettered as rookies.

Both of Grove City's seniors are in the frontcourt in 6-foot-4 forward Nate Rambacher and 6-3 forward Steve Battaglia.

Rambacher started 17 games as a junior and led the team in blocked shots. A two-year letterman, he also shot 50 percent from the field during the 2011-12 season

Battaglia started one game as a junior and is looking to fully bounce back from injury. Battaglia played in 16 games last year and is shooting 65 percent from the field for his career.

Junior guard Evan Schell will look to break into the lineup this year after playing as a reserve in each of his first two seasons. A sharp-shooting lefty, Schell played in 12 games last year after making 22 appearances during the 2010-11 season.

Sophomore guard Mitch Marmelstein emerged during his freshman season and led Grove City with 44 three-point goals. He started 24 games last year and finished third on the team in scoring at 11.5 points per game. He will likely be counted on for offensive production again.

Sophomore guard J.T. Schwartz returns after earning a starting spot as a freshman in 2011-12.

Sophomore guard Mitch Marmelstein fired in 44 threepoint goals last year and is a returning starter for Grove City.

Sophomores Christian Durbin and J.T. Schwartz both return at point guard after playing extensively as freshmen. Durbin recorded 63 assists in 25 games and averaged 5.9 points per game.

Schwartz, meanwhile, averaged seven points per game and ranked second on the team with 48 steals. He also had 63 assists in 25 games.

Both men are expected to contend for spots in the starting lineup after splitting time as freshmen.

Sophomore Josh Patterson started three games as a freshman and appeared in all 25 games. He quickly emerged as one of the Wolverines' top defensive players and will likely be a defensive stopper this winter.

Forward Brian Giesler appeared in all 25 games as a freshman and will battle for a starting spot in the frontcourt. He brings scoring punch to both forward positions.

Sophomore forward Ford Reinalda saw limited action as a freshman but is also expected to push for time in the frontcourt. The 6-4 Reinalda appeared in seven games as a rookie.

Head coach Steve Lamie, now in his 15th season, will also look to several freshmen throughout the course of the season.

# **ABOUT THE PAC**

# PRESIDENTS' ATHLETIC CONFERENCE

Founded in 1955, the Presidents' Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence.

Comprised of 10 select private colleges - Bethany College, Chatham University, Geneva College, Grove City College, Saint Vincent College, Thiel College, Thomas More College, Washington & Jefferson College, Waynesburg University and Westminster College - the PAC remains a unique organization in this day of high-pressure intercollegiate athletics.

With academics at the center of each member's philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself.

During the 2005-06 academic year, Chatham, Geneva and Saint Vincent all joined the PAC. Chatham competed for PAC championships for the first time during the 2007-08 academic year.

Saint Vincent first competed for conference titles in 2010-11. Geneva became eligible for conference titles in 2011-12.

The PAC annually crowns champions in 19 sports. All-Conference status is awarded in all 19 sports. Head coaches select all-league squads for all team sports, while in individual sports such as cross country and tennis, all-PAC accolades are based upon performances at the conference championships.

The PAC annually awards its men's and women's All-Sports Trophies to the schools which perform best across the board in conference competition.

W&J won the Men's All-Sports Trophy in 2011-12 and Westminster won the Women's All-Sports Trophy. Grove City finished second with 114 total All-Sports points.

In 2011-12, the league named 734 student-athletes to the PAC Academic Honor Roll, which recognizes all participating student-athletes who attain a term grade-point average of 3.60 or above

# **PROGRAM HISTORY**

Since its inception in the 1898-99 season, the Grove City College men's basketball team has compiled over 1,100 wins and numerous championships while producing an innumerable number of outstanding players.

Grove City began play late in the 1898-99 season with a 32-9 loss at Allegheny in Meadville, Pa. After winning just three of its first 13 games in the first three seasons, Grove City found success in early years of the 20<sup>th</sup> Century.

Edward Campbell took over as player-head coach in 1901 and directed the Wolverines to Tri-State championships in 1903 and 1905. In his four seasons as head coach, Campbell compiled a 50-13 mark.

Frank Hays, William Brown and Fred Locke all spent time at the helm in the latter half of the decade before Weir C. Ketler took control in 1910.

Ketler, who later became President of Grove City College from 1916 to 1956, coached the team for three seasons.

Under Ketler's tutelage, Grove City went 32-7, including the undefeated team of 1911-1912, the only perfect squad in program history.

The College played its home games in the basement of Carnegie Library during that time period. The floor was small and the ceiling low.

Grove City had to rely on teamwork in order to work the ball through the defense for short shots under the basket.

In the 1912-13 season, Grove City moved into a new gymnasium on Main Street, which became the premier facility in the district.

The gymnasium became a hotbed of district college and high school games and hosted Mercer County, Northwest Pennsylvania and Western Pennsylvania high school tournament games.

Howard Acher, who played for Ketler, spent four total years over two stints as head coach during the World War I years while Harold White guided the 1917-1918 team.

The 1905 Tri-State Champion Team

The 1921 Tri-State Champion Team

In 1920, Robert E. Thorn took over as head coach. Thorn's first squad went 16-1, igniting the program's most successful run during the early years.

Between 1920 and 1928, the Crimson and White went 114-32 (.781). The 1921-22 team represented the East Region at the National Intercollegiate Tournament in Indianapolis.

The next season, Grove City upset both the University of Pittsburgh, 36-34, and West Virginia University, 38-9.

In that win at WVU, Grove City held West Virginia without a field goal for the entire game as all nine points came from the foul line.

Thorn coached the team through the mid-1930s until 1937, when Jim Loveless took over as head coach.

As World War II ignited, male enrollment at the College dropped sharply. Grove City did not field a team in 1943-44 but resumed intercollegiate action in the 1944-45 season under head coach Charles Ruffner.

Thorn returned as head coach for one more season before Loveless began a second run as head coach in 1947. Loveless coached until 1954, with four winning seasons in a five-year span highlighting his stint.

During Loveless' tenure, Grove City opened the Grove City College Arena on Dec. 5, 1953 and also played its 50<sup>th</sup> season of basketball.

Al Pesek then coached for one season before Jim Curry led Grove City to a 13-5 record in 1955-56.

Jack Behringer, Grove City's athletic director for 40 years, then directed the squad to a 12-6 mark the following season.

Dan Leviton then succeeded Behringer as head coach in the 1956-57. The five-year Leviton era produced the College's first three 1,000-point scorers.

Dutch Leonard (1955-59) became the first four-digit scorer in Grove City history while Tom Robinson (1957-62) and Bart Niemeyer (1958-62) also went over 1,000 points.

Grove City also played its  $1{,}000^{\text{th}}$  game on Feb. 17, 1962 against Allegheny.

# **Program History**

But the most famous Grove City basketball player from that era became more known for throwing a baseball than shooting a basketball.

Gary Peters played basketball at Grove City from 1955-57 before beginning a professional baseball career that would put him in the national spotlight.

Peters signed with the Chicago White Sox organization while at Grove City and moved up through their minor-league system.

He broke through in 1963 and earned the American League's Rookie of the Year award by going 19-8 with an AL-best 2.33 earned run average.

Peters led the American League in wins with 20 in 1964 and also led the league in ERA in 1966 with a 1.98 mark. A two-time All-Star (1964, 1967), Peters finished his career with the Boston Red Sox.

While Peters baffled American League hitters during the 1960s, the Grove City basketball program continued to reach new heights under head coach Cliff Wettig (1962-71).

Dave Marovich fired in 1,072 points in just three seasons while Ron Arrington scored 1,069 points from 1962 to 1966 to lead the Wolverines in the mid-1960s.

All-time leading scorer Jeff Claypool arrived on campus from Lexington, Ohio in the fall of 1965 and quickly made his mark on the program by averaging 20 points per game his freshman season.

Claypool then averaged 25 points per game in 1966-67 before posting 29.6 points per night as a junior.

As a senior in 1968-69, Claypool poured in 686 points for an average of 29.8 per game. That is still the school single-season record.

All-Time Leading Scorer Jeff Claypool

His 2,234 career points are by far the most in College history.

In his senior year, Grove City highlighted a 19-5 campaign by upsetting nationally-ranked Ashland, 41-40, in December 1968.

John Cochran became the College's second all-time leading scorer during the 1969-70 season with 1,352 career points after averaging 21.6 points that year.

In 1971, Russ Trimmer replaced Wettig as head coach, going 12-12 in his only season.

After 12 years at Lexington High School in Ohio, John Barr assumed control of the Grove City program in the fall of 1972. Barr would eventually lead Grove City to over 300 wins and three league titles in 26 years as head coach.

Despite Fred Schwab (1970-74) moving into third place on Grove City's all-time scoring list with 1,215 points, the Wolverines suffered three consecutive sub-.500 seasons under Barr.

But in 1975-76, Barr's efforts began to pay off. Grove City went 16-6 and qualified for the NCAA Division III Championship Tournament for the first time in school history.

Two years later, Grove City led the nation in field goal percentage defense, holding teams to just 39.9 percent.

The following year, 1978-79, the Wolverines returned to the NCAA Division III Championship Tournament. Led by 1,000-point scorers Bill Fox (1,192) and Mike Donahoe (1,051), Grove City went 18-7 and won its first-ever postseason game as the Wolverines downed Albright, 79-73, in the regional third-place game.

Donahoe and Fox both earned College Sports Information Directors of America (CoSIDA) Academic All-America recognition during that historic 1978-79 campaign.

As the 1980s dawned, Grove City strung together four straight winning seasons, highlighted by the 1982-83 team that won a school-record 21 games.

Grove City again reached the NCAA Tournament and after a 56-52 loss to Widener in the first round, the Wolverines rebounded to drill Moravian, 76-54, in the third-place game.

The 1978-79 NCAA Tournament Team

# **PROGRAM HISTORY**

The 1982-83 NCAA Tournament Team

finished 17-11 overall and advanced to the ECAC Southern Championship Tournament.

Bob Crow (1,450) and Mark Smith (1,171) each closed their careers by finishing among Grove City's top 10 all-time in scoring.

The 1983-84 season marked Grove City's final as a Division III independent. Grove City went 15-11 in that final season before embarking on a new challenge: the Presidents' Athletic Conference.

Gone from the schedule in 1984-85 were state schools Edinboro, Clarion and Slippery Rock. Instead, the Wolverines would play teams such as Washington & Jefferson, Carnegie Mellon and Hiram twice yearly.

Following a 7-15 overall mark in their first season in the PAC, the Wolverines followed with three consecutive 11-11 seasons. In that span, Deron Ryan (1984-88) became the 13<sup>th</sup> 1,000-point scorer in College history with 1,205 points.

Grove City became the dominant team of the Presidents' Athletic Conference in the late 1980s as the Wolverines captured three consecutive PAC titles.

The 1988-89 team won Grove City's first PAC crown and finished with a 20-6 mark, the second-most wins in school history.

Led by senior Joe Buckley, who finished his career with 1,413 points, Grove City again advanced to the NCAA Championship Tournament.

The Wolverines fell to Washington (Md.) in the regional semifinals but recovered for a 74-60 win over Susquehanna in the third place game.

Grove City again won conference titles in 1989-90 (14-12) and 1990-91 (17-7). Tim Mokma became the sixth 1,000-point scorer in the Barr era, finishing with 1,197 points at the conclusion of the 1990-91 year.

Although the Wolverines were unable to maintain their hold on the Presidents' Athletic Conference title, the postseason berths continued in the mid-1990s. Grove City captured bids to the Eastern Collegiate Athletic Conference (ECAC) Tournament in 1993-94, 1994-95 and 1995-96.

Grove City also produced a pair of 1,000-point scorers in 1994. Guard Mark Timko set a new College single-game and Grove City College Arena record with 47 points in the

home finale against Waynesburg, finishing his three-year career at Grove City with 1,255 points that season.

Timko led the nation in three-point percentage and his 670 points that year is the second-highest single-season total in program history.

Meanwhile, forward Benjamin Davis finished with 1,094 points in his four seasons.

Both the 1994-95 and 1995-96 teams won 16 games and reached the ECAC Tournament. Forward Dan Von Handorf (1,029) and guard Jim Wherley (1,162) both finished their careers as 1,000-point scorers.

Von Handorf joined Claypool as the only Grove City player to score 400 points in a season twice.

During that 1995-96 season, Barr earned his 300<sup>th</sup> victory with a 71-59 home win over Waynesburg Feb. 17, 1996. Grove City also won its 1,000<sup>th</sup> game that year.

Barr's final squad featured no seniors but still managed to work its way into contention for the PAC crown.

On "John Barr Day" in the Grove City College Arena, Grove City nearly rallied from a 25-point deficit before falling to conference champion Thiel to close the 1997-98 season.

Following Barr's retirement, a new era of Wolverine basketball began as assistant coach Steve Lamie took over as head coach prior to the 1998-99 season.

A 1985 graduate of the College, Lamie played on the 1983 NCAA Tournament team and had assisted Barr for

four seasons. His first team used an iron-clad defense to win the program's fourth PAC title.

Grove City had just one double-digit scorer and no player average more than 12 points per game in 1998-99.

But the Wolverines held opponents to just 60 points per game and limited the opposition to just 36.3 percent shooting from the floor, an all-divisions NCAA record.

The Wolverines finished 16-9 and advanced to the ECAC Southern Championship Tournament. Grove City went 7-1 in conference play to earn the championship.

Grove City followed a 17-win season in 2001-02 by racing out to a 6-0 start in 2002-03. The Wolverines ultimately captured the PAC title and hosted Neumann College in an ECAC quarterfinal game.

It was the first-ever home playoff game for Grove City, which finished the season 18-9.

Grove City secured its fourth straight winning season in 2003-04 as Prosser became the program's 20th 1,000-point scorer.

He finished his career in fifth place on Grove City's alltime list with 1,263 points and tops in assists with 367 for his career.

Forward Ryan Eller became the program's 21st 1,000-point scorer in 2004-05 as the Wolverines earned their fifth straight winning season.

In 2007, Grove City captured perhaps its most improbable PAC title as the Wolverines won the conference tournament after entering as the No. 4 seed.

Grove City whipped Waynesburg and Westminster in the first two rounds of the tournament, then earned the title with a 60-58 victory at third-seeded W&J.

In 2008, Shawn Carr set a new career record with 207 three-point goals. He also surpassed the 1,000-point mark. Grove City finished 17-11 overall and advanced to the ECAC Southern Championship Tournament.

Grove City captured its third straight ECAC berth in 2008-09 after jumping out to a 5-1 start.

Guard Ryan Gibson concluded his career as Grove City's 17th all-time leading scorer with 1,079 points.

The Wolverines returned to the NCAA Championship Tournament in 2010 as Grove City captured the conference

title with a 78-61 home win over Thomas More. Grove City finished the season 19-9 overall.

Center Andy O'Keefe became Grove City's 24th all-time 1,000-point scorer and graduated as the program's all-time leader in field goal percentage.

He also earned CoSIDA Academic All-America honors, joining Joe Burns (1977), Dirk Vandermeer (1977), Fox (1978), Donahoe (1979), Smith (1983) and Curt Siverling (1984, 1985) as the program's Academic All-Americans.

Brett Matson became the program's 25th 1,000-point scorer during the 2011-12 season, finishing with 1,108 points.

# ABOUT THE COLLEGE

The beautifully landscaped campus of Grove City College stretches over 150 acres and includes 28 neo-Gothic buildings. It is considered one of the loveliest in the nation.

While the College has changed to meet the needs of the society it serves, its basic philosophy has remained unchanged since its founding in 1876. It is a Christian, liberal arts institution, dedicated to the principle of providing the highest quality education at the lowest possible cost.

Wishing to remain truly independent and to retain its distinctive qualities as a private school governed by private citizens (trustees), it is one of few colleges in the country that does not accept federal funds.

Affiliated with the Presbyterian Church (U.S.A.), but not narrowly denominational, the College believes that to be well-educated a student should be exposed to the central ideas of the Judeo-Christian tradition.

Grove City College offers undergraduate degrees in liberal arts, sciences, engineering, business, and music and is distinguished as a national leader in education.

Grove City's programs in electrical and mechanical engineering are accredited by the Engineering Accreditation Commission Board of the Accreditation Board for Engineering and Technology.

The "big business school curriculum" prepares students for today's global business reality. An extensive variety of internship opportunities are provided across the curriculum.

Grove City College wants its students to be prepared in this age of mobile information technology.

Each entering freshman receives a tablet computer which is his or hers to keep upon graduation with a four-year degree.

This is part of the Information Technology Initiative, a total program integrating technology across the curriculum.

Grove City College's **Breen Student Union** 

The College believes that its student body has a unique mix of talents and abilities.

Its Career Services program helps students identify those key assets during the first year and then builds a four-year strategy to help them pursue a satisfying career.

Personal counseling, professional speakers, databases, alumni contacts, summer internships, corporate visits, employer presentations and more are incorporated into the career preparation experience.

Grove City follows the semester calendar plan, in addition to offering two-week sessions in January and May.

Most of the 2,500 students live in separate men's and women's dormitories. The rest are local commuters or married students.

A full program of cultural, professional, athletic and social activities is offered, including 19 intercollegiate varsity athletic teams.

Grove City, a town of 8,100 people, is located 60 miles north of Pittsburgh. It is located near Interstates 79 and 80 and has a municipal airport.

# **ATHLETIC FACILITIES**

All 19 of Grove City College's intercollegiate varsity athletic teams utilize the College's superior facilities for competition, practices and off-season training and conditioning.

Grove City's athletic facilities have undergone numerous renovations and improvements in recent years, with more upgrades scheduled in the immediate future.

On lower campus, Robert E. Thorn Field is home to the College's football and track and field teams. The College installed CSTurf at Robert E. Thorn Field. CSTurf is a synthetic playing surface that features polyethylene LSR grass fibers and a rubber infill system.

The College also installed lights and resurfaced the 8-lane track around the field. Grove City also reconfigured its setup for track meets during these renovations.

In 2011, the College installed a new state-ofthe-art scoreboard and new bleachers on the visitors' side at Thorn Field.

These upgrades benefit the entire campus community as the complex is used by both the College's club sports teams and its intramural program, along with the varsity teams.

The track is also available for use by recreational walkers and joggers. The complex also features 10 all-weather tennis courts next to the field.

Phillips Field House, located at the north end of the complex, features several locker rooms, an athletic training room, meeting rooms and coaches' offices. It is used by the football, track and tennis programs throughout the academic year.

The Physical Learning Center (PLC) houses the Grove City College Arena, home to the College's basketball and volleyball programs.

In summer 2012, the College renovated the Arena by installing new lighting and a new playing floor. In recent years, the Arena has also received new scoreboards and scorers' tables.

The James E. Longnecker Pool is one of the nation's premier small-college venues for both swimming and diving and water polo.

The home of Grove City's football and track and field teams, Robert E. Thorn Field has received numerous renovations in recent years.

In addition, the PLC features the James E. Longnecker Pool, one of the premier aquatic facilities in the region. Each year, Grove City hosts the Presidents' Athletic Conference Swimming and Diving Championships at the state-of-the-art facility.

In 2012, the College also hosted the Collegiate Water Polo Association Division III Championships at the James E. Longnecker Pool.

The PLC also features a second pool, the Recreational Pool, which is used by members of the College community year-round.

A fitness room featuring aerobic and Cybex equipment and a separate weight room with free and mechanized weights are also keystone areas of the facility.

The PLC also features six racquetball/handball courts as well as two adjacent intramural rooms. The intramural rooms each feature four basketball courts, four indoor tennis courts, four volleyball courts, an indoor track and two indoor jumping pits.

The College installed new synthetic flooring and several new electronic scoreboards throughout the intramural rooms.

The Physical Learning Center houses the athletic training room, locker rooms and offices for coaches and physical education faculty.

The College recently constructed a new office suite for coaches and athletic administration, while also incorporating its Athletic Hall of Fame area.

Grove City's outdoor athletic facilities have also received numerous upgrades in recent years.

The varsity soccer field, College Field, was expanded and re-sodded during the summer of 2005. College Field also received a new press box during the summer of 2007.

Meanwhile, Grove City's baseball and softball facilities recently received major facelifts as new dugouts, new fencing and electronic scoreboards were installed on both fields.
