The following services will be available for all visiting teams the day of competition. If you have any particular needs that have not been covered below, please contact our Head Athletic Trainer, Kay Mitchell Emigh.

- Should your team be traveling without an athletic trainer, **please let us know in advance** so that we will be able to assist them with any pre-game taping, wrapping, and treatments. Please provide the necessary supplies.

- A Certified Athletic Trainer may **not** be on site at all athletic contests.

- Therapeutic modalities include: ice, moist heat, and whirlpool. Please send a note for moist heat and whirlpool if a certified athletic trainer is not traveling with the team.

- **Stim (please provide your own electrodes)** and ultrasound requests must present a prescription from a physician unless a Certified Athletic Trainer is traveling to administer the treatment. Athletic Training students will not be permitted to administer stim or ultrasound.

- A Table for Taping

- The Grove City College Athletic Training Staff **does not administer any OTC medications**

- Team Physician in attendance at all Home Varsity Football Games.

- Ambulance present for all Home Football Games. Ambulance on-call for all other contests

- Ice and water will be available. **Please supply your own cups for football!**

- All Emergency Hospital needs will be referred to:
  - Grove City Medical Center; Grove City, PA 16127 (724) 450-7000
