## GROVE CITY COLLEGE

# HEAD COACH SUSAN ROBERTS

Susan Roberts enters her 22nd season as the head volleyball coach at Grove City College.

During her tenure at Grove City, Roberts has constructed one of the region's premier programs.

Since taking over as head coach in 1985, Roberts has directed Grove City to nine Presidents' Athletic Conference (PAC) championships along with three Eastern College Athletic Conference (ECAC) Southern Championships.

In 2005, Roberts directed an extremely young Grove City squad to a 15-15 record along with the championship at the season-opening Oberlin Invitational.

On Sept. 30, 2004, Roberts became the 14th active Division III women's volleyball coach to reach the 500-win mark as Grove City swept Thiel, 3-0. Overall, Roberts has a 521-311 career record in 23 years as a head volleyball coach. In 21 years at Grove City, Roberts is 469-272.

Roberts made an immediate impact on the Grove City program, leading Grove City to a 41-1 record in 1985, including the program's first PAC title and a berth in the NCAA Championship Tournament.

Roberts earned the Collegiate Volleyball Coaches Association's Division III Coach of the Year award following the 1985 season. Grove City finished the regular season ranked No. 1 nationally in the AVCA poll in 1985.

Grove City closed the 1980s as the PAC's dominant program, winning conference titles in 1985, 1986, 1987 and 1989. That dominance continued into the 1990s as the Wolverines won PAC crowns in 1992, 1993 and 1995.

The 1994 team became the first College team to earn an ECAC title as the Wolverines swept Washington and Jefferson and Rutgers-Newark for the ECAC Southern Championship crown. Grove City repeated as ECAC champion in 1995.

Grove City returned to the top of the PAC in 2000, capturing the program's eighth conference title under Roberts' guidance. Grove City advanced to the ECAC Southern Championship Tournament semifinals before falling to top-seeded Carnegie Mellon.

The following year, the Wolverines stormed to their ninth PAC title and returned to the ECAC Tournament. Entering as the sixth seed in the six-team tournament, the Wolverines upset Johns Hopkins, Franklin and Marshall and host Moravian to clinch their third ECAC title in seven years.

A native of Ontario, Ohio, Roberts added the title of Associate Director of Athletics prior to the start of the 1998 season. From 1985-93, Roberts coached Grove City's women's basketball team and then coached the softball program from 1994-98.

She earned her undergraduate degree in physical education from Ohio University in 1975 and then earned her master's degree in biomechanics from the University of Arizona.

Roberts lives on Lake Latonka, near Mercer.

**Head coach Susan Roberts earned her 500th career win Sept. 30, 2004.**

# 2006 SEASON PREVIEW

With eight returning upperclassmen in its projected lineup, the Grove City College volleyball team features plenty of depth and experience in preparation for the 2006 season.

Grove City returns its entire starting lineup from last season as the 2005 roster featured no seniors.

The Wolverines will rely on three senior tri-captains in their drive towards a Presidents' Athletic Conference title. Senior middle hitter Carlie Roberts is a three-year starter while senior libero Emily Rossol and senior outside hitter Allison Cummings are both two-year fixtures in the Wolverine rotation.

Roberts earned First Team All-PAC honors following the 2005 season after leading Grove City in kills, hitting percentage, aces and blocks. She led the PAC in hitting percentage and blocks.

Rossol led Grove City in digs after moving into the starting libero position during the preseason. Cummings, meanwhile, ranked second on the team in assists, third in blocks and fourth in hitting percentage last year. Cummings, Roberts and Rossol all played in all 107 games last season.

Grove City will also count on a talented quintet of juniors this season. Kim Walsh enters her third season as the Wolverines' starting setter.

She averaged 10.50 assists per game last year, fourth in the PAC.

Juniors Brittany Anderson and Katie Skinner also return for their third season. Like Walsh, Anderson played in all 107 games last year. Anderson finished second on the team in blocks from her middle hitter post.

**Carlie Roberts (left) and Natalie Liberati ranked first and second, respectively, in hitting percentage in the PAC during conference play.**

**Junior middle hitter Brittany Anderson is a two-year letterwinner for Grove City.**

Skinner is looking to move into the starting lineup on a full-time basis this year after injuries sidelined her for a significant portion of 2005.

Grove City also returns a pair of second-year players in juniors Heather Fraiz and Brooke Mincey. Fraiz finished second to Rossol in digs last year. Fraiz played in all 30 matches in her first season as a member of the Wolverine program.

Mincey played in 89 total games as a defensive specialist and will again likely be a key contributor to Grove City's defense.

Grove City also returns a pair of sophomore letterwinners in middle hitter Natalie Liberati and outside hitter Meghan Glenn. Liberati emerged as her freshman season progressed and ultimately finished second on the team in kills and hitting percentage.

Glenn appeared in eight matches as a rookie in 2005 and will compete for a spot in the Wolverine rotation this fall.

**Senior Emily Rossol is entering her second year as Grove City's starting libero.**

# RETURNING LETTERWINNERS

## BRITTANY ANDERSON

**JUNIOR • 5-11 • MIDDLE HITTER**  
**CHAGRIN FALLS, OHIO**  
**(CHAGRIN FALLS)**

Two-year letterwinner ... Career-high 13 kills against Bethany Sept. 4, 2005 ... Finished second on team in blocks ... Named to PAC Academic Honor Roll ... Also a two-year letterwinner in basketball and one-year letterwinner in track ... Biology/Secondary Education major.

# 2005 In Review

The 2005 volleyball season at Grove City College featured a strong start, a midseason surge and numerous other highlights as the Wolverines posted a 15-15 record.

Grove City opened the season by winning the Oberlin College Tournament in Oberlin, Ohio. The Wolverines earned 3-0 wins over Bluffton and Lake Erie in pool play Sept. 2 before capturing the tournament title with a sweep of Bethany Sept. 3.

Junior Carlie Roberts posted 53 kills during the tournament, including 14 in the championship match, to earn the tournament's MVP award. Roberts also earned the Presidents' Athletic Conference's Player of the Week award for her efforts at the two-day event.

Three nights later, the Wolverines opened the home portion of the 2005 schedule with a 3-2 loss to visiting Mount Union. Sophomores Jennifer Plyler (14) and Katie Skinner (13) each posted career-highs in kills but the Wolverines fell to 3-2 on the young season.

Grove City opened PAC play Sept. 10 with its first-ever trip to Thomas More. The Wolverines forced a fifth game by winning 30-26 in Game Four but Thomas More scratched out a 16-14 victory in the deciding game, giving Grove City its second straight 3-2 setback.

However, the Wolverines did earn a split on the road trip, picking up a 3-1 victory over Wilmington in non-conference action. Sophomore setter Kim Walsh recorded 44 assists and 15 digs in the win while Roberts had 15 kills and nine blocks against the Quakers.

The following weekend, Grove City went 2-2 at the Westminster Tournament as the Wolverines earned 3-0 wins over both Pitt-Bradford and Pitt-Greensburg.

**Kim Walsh dished out 54 assists in Grove City's 3-1 win at Penn State Behrend Sept. 29. The win ignited a four-match win streak.**

Grove City then went 1-3 at the Ohio Wesleyan Tournament Sept. 23-24, sweeping Lake Erie in the weekend finale. A 3-0 setback at PAC rival Waynesburg Sept. 27 put Grove City at 0-2 in the conference. But the Wolverines' fortune changed dramatically as September faded into October.

The Wolverines surged back into contention by winning six of their next seven matches. Roberts posted a season-high 23 kills while Walsh had a season-high 54 assists in a 3-1 win at Penn State Behrend Sept. 29. That win ignited a four-match win streak.

**Grove City opened the 2005 season by capturing the championship at the Oberlin Invitational. Carlie Roberts earned the tournament's Most Valuable Player award.**

**GROVE CITY COLLEGE**

# 2005 IN REVIEW

Grove City reached the .500 mark overall and in the PAC with sweeps of conference rivals Bethany and Thiel, Oct. 5 and 7, respectively. At Thiel, Roberts posted 12 kills while freshman Natalie Liberati added 10 kills on just 15 attacks.

The Wolverines then capped a four-match win streak Oct. 11 with a come-from-behind victory over archrival Westminster. Grove City dropped the first two games, 30-27 and 30-26, but stormed back to win the final three games, 30-28, 30-28 and 15-12. The victory was Grove City's first over Westminster since 1995.

Liberati tallied a career-high 19 kills in the victory while Roberts contributed 13 kills and nine blocks. Walsh added 52 assists.

Grove City's win streak came to an end at eventual PAC champion Washington & Jefferson two nights later but the Wolverines bounced back for a pair of non-conference victories Oct. 15 in Painesville, Ohio.

Grove City opened the twinbill with a sweep of host Lake Erie College, 30-18, 30-17, 30-15. The Wolverines then rolled to a 30-20, 30-9, 30-19 victory over La Roche later in the afternoon. Roberts had 22 combined kills in the two wins while Emily Rossol posted 29 total digs.

The Wolverines began their stretch drive by splitting a pair of PAC matches Oct. 18-20. Following a home loss to Waynesburg, Grove City secured a 3-2 win at Bethany Oct. 20. The victory kept Grove City in contention for a spot in the season-ending PAC Championship Tournament.

After splitting home matches with Thomas More and Thiel, Grove City faced a must-win situation at Westminster Oct. 28. The Wolverines split the first two games but Westminster captured the final two games to salvage a season split with Grove City.

Roberts earned First Team All-PAC honors from the league's coaches following the season while Walsh earned Academic All-District recognition from the College Sports Information Directors.

**Allison Cummings finished second on the team in assists and third in blocks in 2005.**

# ABOUT GROVE CITY COLLEGE

The beautifully landscaped campus of Grove City College stretches over 150 acres and includes 27 neo-Gothic buildings. It is considered one of the loveliest in the nation.

While the College has changed to meet the needs of the society it serves, its basic philosophy has remained unchanged since its founding in 1876. It is a Christian, liberal arts institution, dedicated to the principle of providing the highest quality education at the lowest possible cost.

Wishing to remain truly independent and to retain its distinctive qualities as a private school governed by private citizens (trustees), it is one of few colleges in the country that does not accept federal monies.

Affiliated with the Presbyterian Church (U.S.A.), but not narrowly denominational, the College believes that to be well-educated a student should be exposed to the central ideas of the Judeo-Christian tradition.

Grove City College offers undergraduate degrees in liberal arts, sciences, engineering, business, and music and is distinguished as a national leader in education.

Grove City's programs in electrical and mechanical engineering are accredited by the Engineering Accreditation Commission Board of the Accreditation Board for Engineering and Technology.

The "big business school curriculum" prepares students for today's global business reality. An extensive variety of internship opportunities are provided across the curriculum.

Grove City College wants its students to be prepared in this age of mobile information technology. Each entering freshman receives a color notebook computer, software and a printer, which are his or hers to keep upon graduation with a four-year degree.

**Grove City's New Student Union Building**

All students receive thorough instruction on how to use their computers. This is part of the Information Technology Initiative, a total program integrating technology across the curriculum.

The College believes that its student body has a unique mix of talents and abilities. Its Career Services program helps students identify those key assets during the first year and then builds a four-year strategy to help them pursue a satisfying career.

Personal counseling, professional speakers, databases, alumni contacts, summer internships, corporate visits, employer presentations and more are incorporated into the career preparation experience. Grove City follows the semester calendar plan, in addition to offering two-week intersessions in January and May.

Most of the 2,300 students live in separate men's and women's residence halls. The others are local commuters or married students. A full program of cultural, professional, athletic and social activities is offered, including 19 intercollegiate varsity athletic teams.

Grove City, a town of 8,100 people, is located 60 miles north of Pittsburgh. It is located near Interstates 79 and 80 and has a municipal airport.

# FACILITIES

All 19 of Grove City College's intercollegiate varsity athletic teams utilize the College's superior facilities for competition, practices and off-season training and conditioning.

Grove City's athletic facilities have undergone numerous renovations and improvements in recent years, with more upgrades scheduled in the immediate future.

On lower campus, Robert E. Thorn Field is home to the College's football and track and field teams. During the summer of 2006, the College installed CSTurf at Robert E. Thorn Field. CSTurf is a synthetic playing surface that features polyethylene LSR grass fibers and a rubber infill system.

Lights were also added at Robert E. Thorn Field while the 8-lane track around the field was resurfaced.

These upgrades benefit the entire campus community as the complex will now be used by both the College's club sports teams and its intramural program, along with the varsity teams.

The track is also available for use by recreational walkers and joggers. The complex also features 10 all-weather tennis courts next to the stadium.

Phillips Field House, located at the north end of the complex, features several locker rooms, an athletic training room, meeting rooms and coaches' offices.

It is used by the football, track and tennis programs throughout the academic year. Several upgrades to the facility were recently made.

The Physical Learning Center (PLC) houses the Grove City College Arena, home to the College's basketball and volleyball programs.

The 1,800-seat Arena received new scoreboards, new scorer's tables and new shotclocks during the 2004-05 academic year.

In addition, the PLC features the Grove City College Pool, one of the premier aquatic facilities in the region.

**The Grove City College Pool is one of the nation's premier small college aquatic facilities and is home to the annual PAC Championships.**

Each year, Grove City hosts the Presidents' Athletic Conference Swimming and Diving Championships at the state-of-the-art facility.

The PLC also features a second pool, the Recreational Pool, which is used by members of the College community year-round.

A fitness room featuring aerobic, Cybex and free weight equipment is an integral part of the PLC. Expansion of the fitness room is a keystone of the Center's ongoing renovations.

The PLC also features six racquetball/handball courts as well as two adjacent intramural rooms. The intramural rooms each feature four basketball courts, four indoor tennis courts, four volleyball courts, an indoor track and two indoor jumping pits.

The building houses an athletic training room, locker rooms and offices for coaches and physical education faculty. In 2004, the College constructed a new office suite for coaches and athletic administration.

Grove City's outdoor athletic facilities have also received numerous upgrades. The varsity soccer field, College Field, was expanded and re-sodded during the summer of 2005.

**The Fitness Room in Grove City's Physical Learning Center features both state-of-the-art aerobic and Cybex technology.**

**Grove City College installed lights, a new track and CSTurf at Robert E. Thorn Field during the summer of 2006.**
