# HEAD COACH ERIN STREET

A new era in Grove City College volleyball starts this fall as the 2014 season will be Erin Street's first as the College's head volleyball coach.

Street comes to Grove City after spending the last eight seasons at nearby Slippery Rock University. Street worked as a graduate assistant at The Rock from 2006 until the spring of 2009. She then became an assistant volleyball coach prior to the 2009 season.

As an assistant coach at Slippery Rock, Street worked in all facets of the volleyball program, including scouting, practice planning and recruiting. She specifically handled the design and implementation of The Rock's offensive attack during her tenure.

Street played volleyball for four seasons at Wheeling Jesuit University from 2002 to 2005 and co-captained the team in her senior season. A standout setter for the Cardinals, she recorded 1,285 career assists, which ranked fourth in program history.

Street also ranked third all-time at Wheeling Jesuit in assists per game (8.74) and second in aces per game (.476).

Street also serves as an assistant track and field coach and an assistant professor of physical education and exercise science at the College.

A native of Charlotte, N.C., Street earned a bachelor's degree in psychology at Wheeling Jesuit in 2006. She completed her master of arts in community counseling at Slippery Rock in 2009. Street is just the fourth head volleyball coach in Grove City history, following Terry Ellis (1973-82), Judy Zarenko (1983-84) and Susan Roberts (1985-2013).

# 2014 SEASON PREVIEW

With 11 letterwinners back in the fold for the 2014 season, the Grove City College volleyball team sits in prime position to challenge for the Presidents' Athletic Conference championship this fall.

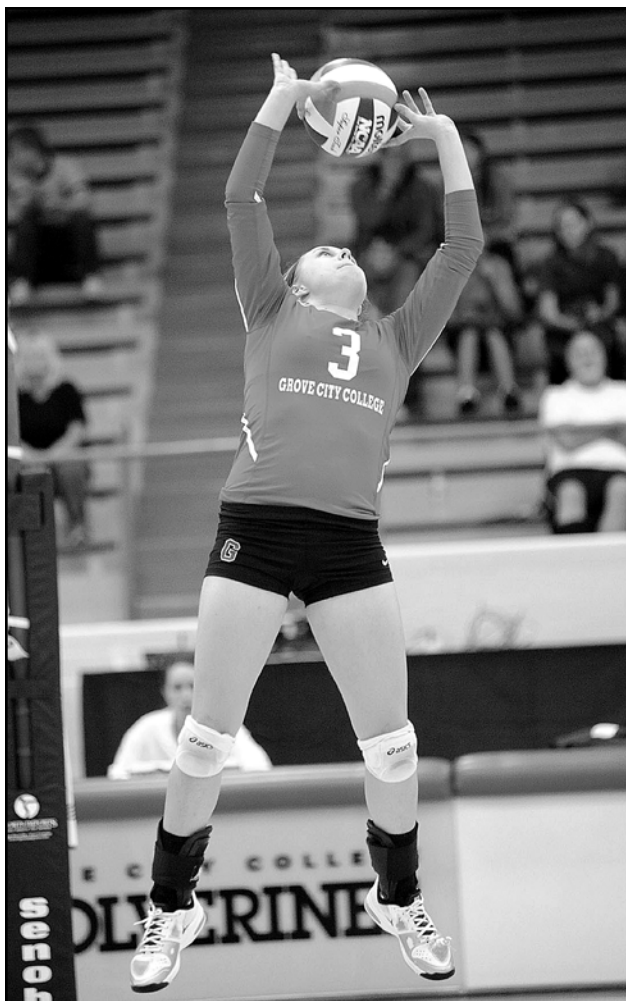

First-year head coach Erin Street will rely heavily on that veteran group, which includes a trio of three-year letterwinners.

Street worked with the team during its non-traditional spring season, accelerating the program's transition.

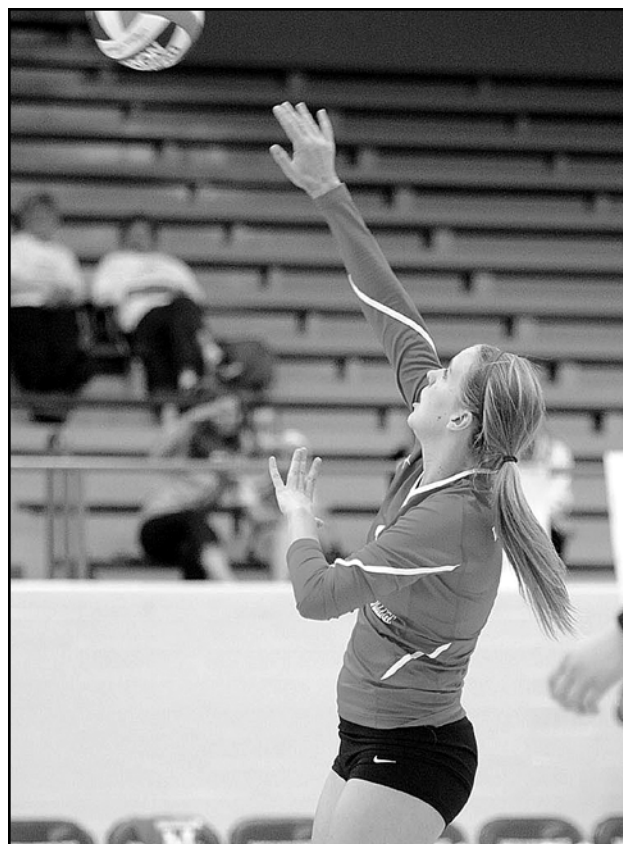

Seniors Dalaney Algieri, Hannah Liermann and Frances Trenta all return for their fourth season after each making significant contributions in each of the last three years.

Algieri has been a force in the middle throughout her career and led the team in block average last year.

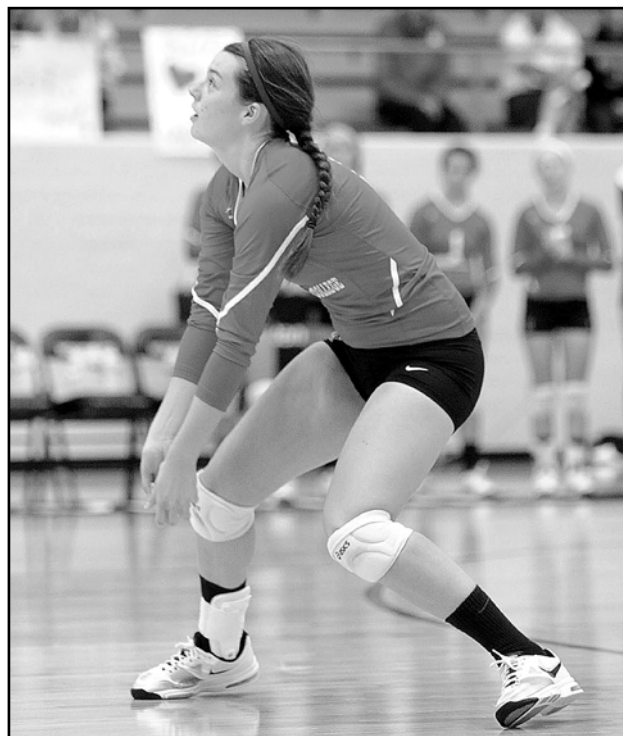

Liermann and Trenta are both expected to solidify the back row for Grove City. Liermann played in a career-high 26 matches last season and emerged as a defensive stalwart.

Junior setter Amy Trageser is a two-year letterwinner for Grove City.

Senior Hannah Liermann (above) is one of three seniors on Grove City's 2014 roster.

Junior Elisabeth Casey will battle for a full-time starting spot this year after appearing in 31 matches last season.

# 2014 SEASON PREVIEW

Trenta has been an integral part of the back row since her freshman campaign and has an inside track to handle libero duties in 2014.

Five juniors also return this season, including three starters. Junior outside hitter Natalija Galens finished third on the team in both kills and digs last year and will likely be a key component of Grove City's offensive attack again this year.

Setter Amy Trageser will again play a key role in the Grove City offense this year after appearing in all 32 matches last year.

She led the team in aces in 2013.

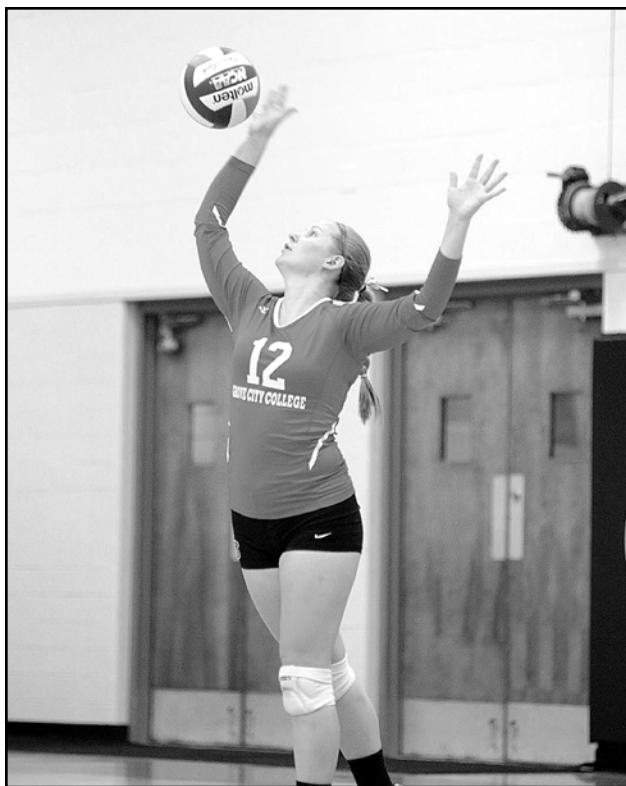

Fellow junior Elisabeth Casey emerged last year and played in 31 matches after seeing only spot duty as a freshman.

Like Galens, Casey will look to have an increased role at outside hitter in 2014 after ranking among the team's statistical leaders in several categories last year.

Injuries short-circuited outside hitter Stephanie Althausen's sophomore season last fall but she is expected to challenge for a full-time spot in the lineup this year, as is junior Madeline Lussenhop.

Lussenhop appeared in nine matches last year.

Grove City also returns three second-year players in middle hitter Rachel Metz and back row players Jessica Althausen and Lexie Schwartz.

**Senior Frances Trenta is one of the top returning defensive specialists in the Presidents' Athletic Conference.**

**Junior Natalija Galens is a two-year letterwinner and returning starter for Grove City. She ranked third on the team in both kills and digs in 2013.**

Metz led Grove City's 2013 rookies in several categories last year while Althausen and Schwartz both saw spot duty. All three players are looking to earn an expanded role this year.

A large class of newcomers is also expected to bolster Grove City this fall.

Grove City opens the 2014 season August 29-30 by competing in the Ohio Wesleyan University Bishop Invitational.

The Wolverines open their home schedule September 10 with a tri-match against Chatham and La Roche. The Chatham match will also be Grove City's conference opener.

Grove City wraps up the regular season November 1 against visiting Thiel on Senior Day. The top six teams in the conference will qualify for the season-ending conference tournament.

A decorated past, a glistening present and a promising future all converged during the 2013 season for the Grove City College volleyball program.

Grove City highlighted the 40th season of intercollegiate play at the College by making its first postseason appearance in 12 years.

Three members of Grove City's decorated four-player senior class earned All-Presidents' Athletic Conference recognition.

Ashley Branch earned First Team All-PAC honors while Tierza Rangel landed on the league's Second Team and defensive specialist Tara Skinner merited All-PAC Honorable Mention from the conference's head coaches. Branch led Grove City in kills, kill average, hitting percentage and blocks while Rangel ranked second in kills and hitting percentage.

Skinner led the Wolverines in digs and ranked third in aces while fellow senior Shelby Mander ranked among the team leaders in several statistical categories.

Meanwhile, head coach Susan Roberts concluded her distinguished career at Grove City with 583 volleyball coaching wins in 29 seasons at the College.

Roberts, who retired after the season, guided the Wolverines to 10 total conference titles and eight postseason appearances from 1985 to 2013.

The 2013 season also featured the emergence of several underclassmen that made significant contributions to Grove City's postseason run.

Sophomore setter Amy Trageser played in all 116 sets and led the team with 28 aces while classmate Natalija Galens ranked third on the squad in both kills and digs.

Sophomore Elisabeth Casey moved into the lineup early in the season and played in 31 of the team's 32 matches while juniors Hannah Liermann and Frances Trenta helped solidify the Wolverine defense with their work in the back row.

Up front, junior Dalaney Algieri led Grove City in block average and finished second in total blocks.

Grove City opened the 2013 season by going 2-1 at Ohio Wesleyan University's annual Bishop Invitational in Delaware, Ohio, August 30-31.

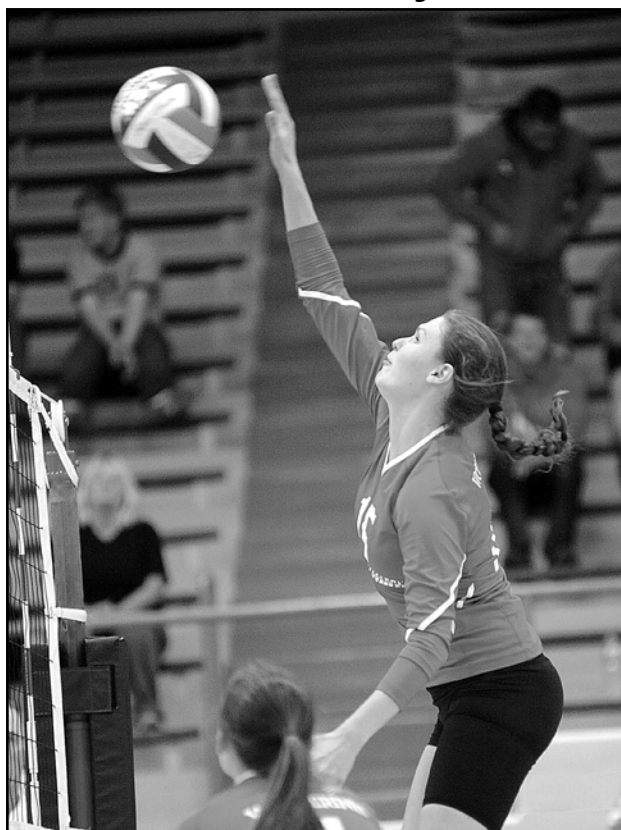

Branch collected 41 total kills during the three matches, including a 16-kill effort in a 3-1 victory over Wilmington on the second day of the tournament.

The Wolverines opened conference play September 11 by rolling to a four-set win at local rival Thiel. Rangel's 13 kills and Skinner's 28-dig performance helped propel Grove City to the victory.

After splitting their first four conference matches, Grove City rattled off three straight road wins in non-league play September 19-24. The surge began with a 3-1 victory at longtime rival Allegheny. Galens racked

up eight kills and 19 digs in the triumph.

Two days later, Mander and Branch each had a dozen kills in a 3-1 win at Franciscan. The Wolverines then rallied for a 3-2 win at Penn State Behrend September 24.

Grove City trailed 2-1 entering the fourth set but charged back for the win. Branch posted a season-high eight blocks for the Wolverines while Rangel paced the offense with 15 kills.

The Wolverines forged another three-match win streak October 9-12, this time in conference play. After sweeping host Waynesburg October 9, the Wolverines downed both Washington & Jefferson and Saint Vincent in a home tri-match in the Grove City College Arena.

Rangel's 13 kills and four blocks helped Grove City to a sweep of W&J. Grove City dropped the first two sets against Saint Vincent but charged back to win the next two.

Grove City then pulled out a 17-15 win in the decisive fifth set to raise its league mark to 6-4. Branch (14) and Casey (11) both posted double-digit kill totals.

The Wolverines clinched a berth in the conference tournament by securing two home wins during the final week of the regular season. Grove City followed up a sweep of Chatham October 29 by downing Thiel, 3-1, two nights later.

Grove City's bid for a conference title came to an end in the tournament quarterfinals November 5 at third-seeded Thomas More.

However, the Wolverines still earned an invitation to the Eastern College Athletic Conference Southwest Tournament in Bethany, W.Va., November 13.

After falling to Marymount in the semifinals, Grove City rebounded to sweep McDaniel in the third-place match.

# ABOUT THE PAC

Founded in 1955, the Presidents' Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence.

Comprised of 10 select private colleges and universities - Bethany College, Chatham University, Geneva College, Grove City College, Saint Vincent College, Thiel College, Thomas More College, Washington & Jefferson College, Waynesburg University and Westminster College - the PAC remains a unique organization in this day of high-pressure intercollegiate athletics.

With academics at the center of each member's philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself.

During the 2005-06 academic year, Chatham, Geneva and Saint Vincent all joined the PAC. Chatham competed for PAC championships for the first time during the 2007-08 academic year. Saint Vincent first competed for conference titles in 2010-11.

Geneva became eligible for conference titles in 2011-12.

The PAC annually crowns champions in 19 sports. All-Conference status is awarded in all 19 sports. Head coaches select all-league squads for all team sports, while in individual sports such as cross country and tennis, all-PAC accolades are based upon performances at the conference championships.

The PAC annually awards its men's and women's All-Sports Trophies to the schools which perform best across the board in conference competition.

Grove City won the Women's All-Sports Trophy for the 2013-14 academic year while Washington & Jefferson earned the Men's All-Sports Trophy.

In 2013-14, the league named a conference-record 902 student-athletes to the PAC Academic Honor Roll, which recognizes all participating student-athletes who attain a term grade-point average of 3.60 or above during their semester of competition.

# PROGRAM HISTORY

For over 40 years, the Grove City College volleyball program has stood among the elite in NCAA Division III competition.

Beginning with a 9-2 mark in the program's first year -- 1973 -- through outstanding seasons in the 21st Century, excellence has been the program's calling card.

Grove City has accumulated 872 wins, 19 conference championships and 14 postseason berths since the program's inception.

Women's intercollegiate sports began at the College during the 1970s and Grove City quickly emerged as the area's preeminent women's varsity program.

The volleyball program helped lead that rapid rise as the Wolverines compiled a 41-11 record from 1973-75 while competing as an independent under head coach Terry Ellis.

In 1976, Grove City became a charter member of the newly-created Women's Keystone Conference. The 1976 team won the College's first-ever WKC title by going 7-0 in conference play.

Grove City also made its first-ever postseason appearance as the Wolverines qualified for the Eastern Association of Intercollegiate Athletics for Women (EAIWA) Tournament.

Grove City repeated as WKC champion in both 1977 and 1978. The 1979 team took second in the conference with a 6-1 WKC record but still set a program record with 24 victories.

The 1979 team also took fifth at the EAIWA Championship Tournament.

# PROGRAM HISTORY

Senior Natalie Sutyak earned Honorable Mention All-America honors from the American Volleyball Coaches Association following the season.

Ellis stepped down following the 1982-83 academic year after compiling a 222-65-1 record as head volleyball coach. Judy Zarenko guided Grove City to a 31-11 record and the WKC title in 1983.

The 1984 squad won the program's eighth conference title and earned an invitation to the NCAA Tournament with a 35-5 regular season record. Grove City rolled past Wooster in the opening round before falling to Juniata in the second round.

The Wolverines faced numerous challenges at the start of the 1985 season. Susan Roberts became the program's third head coach in a four-year span.

The 1985-86 year also marked the beginning of women's sports in the Presidents' Athletic Conference, which Grove City had joined the previous year.

**Grove City finished the 1985 regular season as the nation's No. 1 ranked team with a 41-0 record. The Wolverines won the final WKC title as well as the inaugural Presidents' Athletic Conference volleyball crown.**

In addition to the traditional WKC opponents, the Wolverines would also play a 12-game PAC schedule for the first time.

While those hurdles were somewhat anticipated, a third obstacle popped up unexpectedly. An emergency renovation project in the Grove City College Arena forced the Wolverines to temporarily move their home matches across town to Grove City High School.

In spite of those challenges, Grove City still assembled the finest regular season in program history. The Wolverines went 6-0 in the WKC while also sweeping all 12 PAC matches.

The Wolverines finally returned to the College Arena Nov. 5, 1985 for a Senior Night showdown with backyard rival Slippery Rock, the nation's 18th-ranked Division II squad.

Grove City's 2-1 victory over the Rockets secured an undefeated regular season. The Wolverines finished the regular season 41-0 overall and ranked No. 1 nationally.

Of Grove City's 41 wins that season, 33 came by either a 2-0 or 3-0 score. The Wolverines lost just 11 total games during the regular season.

In the NCAA Tournament, visiting Juniata dashed Grove City's hopes of a national title with a four-game victory in the second round.

Roberts earned the AVCA's Division III Coach of the Year award while junior Sue Shadle earned Second Team AVCA All-America honors. Senior Barb Beck earned AVCA Honorable Mention All-America status.

The Wolverines' Presidents' Athletic Conference win streak reached 36 in 1987 as Grove City completed another 12-0 record in conference play. Grove City finished the 1987 season with a 27-9 record.

Grove City's run as conference champion ended in 1988 as the Wolverines finished second with a 9-2 PAC mark. However, the Wolverines closed the decade in the same manner they began the 1980s -- with a conference title.

Grove City compiled a 26-13 mark in 1989, including an 8-0 record in the PAC.

Following a 19-17 mark in 1990, Grove City recorded 28 victories the next year, along with the team's second straight runner-up finish in the PAC.

In 1992, Grove City returned to the top of the PAC with a 7-1 league record. Senior Lisa Lippincott became the fourth Grove City volleyball player to earn All-America as she received Second Team honors from the AVCA.

Grove City returned to postseason play in 1994 as the Wolverines compiled a 29-13 overall record and a berth in the Eastern College Athletic Conference (ECAC) Championship Tournament.

In the ECAC semifinals, Grove City blasted PAC rival Washington & Jefferson, 3-0. The Wolverines then captured the school's first ECAC title by sweeping Rutgers-Newark.

In 2008, Natalie Liberati became the program's all-time leader in kills with 1,420.

Roberts became Grove City's all-time leader in total coaching victories with 689 overall wins during that season. In 2011, Grove City gave Roberts her 600th win as a volleyball coach when the Wolverines earned a 3-2 win at Waynesburg.

Grove City returned to the postseason in 2013 as the Wolverines punctuated Roberts' final season by going 1-1 at the ECAC Championship Tournament in Bethany, W.Va. Roberts concluded her career with a 583-424 coaching record at Grove City.

# ABOUT THE COLLEGE

The beautifully landscaped campus of Grove City College stretches over 150 acres and includes 28 neo-Gothic buildings. It is considered one of the loveliest in the nation.

While the College has changed to meet the needs of the society it serves, its basic philosophy has remained unchanged since its founding in 1876. It is a Christian, liberal arts institution, dedicated to the principle of providing the highest quality education at the lowest possible cost.

Wishing to remain truly independent and to retain its distinctive qualities as a private school governed by private citizens (trustees), it is one of few colleges in the country that does not accept federal funds.

Affiliated with the Presbyterian Church (U.S.A.), but not narrowly denominational, the College believes that to be well-educated a student should be exposed to the central ideas of the Judeo-Christian tradition.

Grove City College offers undergraduate degrees in liberal arts, sciences, engineering, business, and music and is distinguished as a national leader in education.

Grove City's programs in electrical and mechanical engineering are accredited by the Engineering Accreditation Commission Board of the Accreditation Board for Engineering and Technology.

The "big business school curriculum" prepares students for today's global business reality. An extensive variety of internship opportunities are provided across the curriculum.

Grove City College wants its students to be prepared in this age of mobile information technology.

Each entering freshman receives a tablet computer which is his or hers to keep upon graduation with a four-year degree.

This is part of the Information Technology Initiative, a total program integrating technology across the curriculum.

**Grove City College's  
Breen Student Union**

The College believes that its student body has a unique mix of talents and abilities.

Its Career Services program helps students identify those key assets during the first year and then builds a four-year strategy to help them pursue a satisfying career.

Personal counseling, professional speakers, databases, alumni contacts, summer internships, corporate visits, employer presentations and more are incorporated into the career preparation experience.

Grove City follows the semester calendar plan, in addition to offering two-week sessions in January and May.

Most of the 2,500 students live in separate men's and women's dormitories. The rest are local commuters or married students.

A full program of cultural, professional, athletic and social activities is offered, including 19 intercollegiate varsity athletic teams.

Grove City, a town of 8,100 people, is located 60 miles north of Pittsburgh. It is located near Interstates 79 and 80 and has a municipal airport.

# ATHLETIC FACILITIES

All 19 of Grove City College's intercollegiate varsity athletic teams utilize the College's superior facilities for competition, practices and off-season training and conditioning.

Grove City's athletic facilities have undergone numerous renovations and improvements in recent years, with more upgrades scheduled in the immediate future.

On lower campus, Robert E. Thorn Field is home to the College's football and track and field teams. The College installed CSTurf at Robert E. Thorn Field. CSTurf is a synthetic playing surface that features polyethylene LSR grass fibers and a rubber infill system.

The College also installed lights and resurfaced the 8-lane track around the field. Grove City also reconfigured its setup for track meets during these renovations.

In 2011, the College installed a new state-of-the-art scoreboard and new bleachers on the visitors' side at Thorn Field.

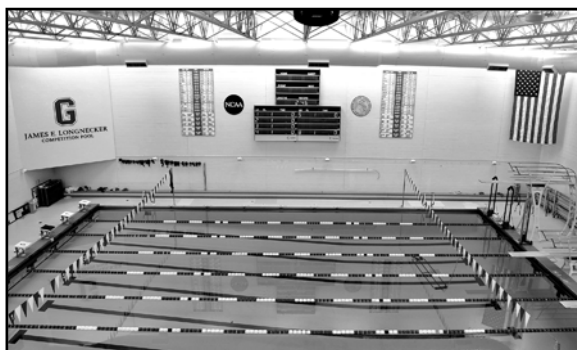

These upgrades benefit the entire campus community as the complex is used by both the College's club sports teams and its intramural program, along with the varsity teams.

The track is also available for use by recreational walkers and joggers. The complex also features 10 all-weather tennis courts next to the stadium.

Phillips Field House, located at the north end of the complex, features several locker rooms, an athletic training room, meeting rooms and coaches' offices. It is used by the football, track and tennis programs throughout the academic year.

The Physical Learning Center (PLC) houses the Grove City College Arena, home to the College's basketball and volleyball programs.

In summer 2012, the College renovated the Arena by installing new lighting and a new playing floor. In recent years, the Arena has also received new scoreboards and scorers' tables.

**The James E. Longnecker Pool is one of the nation's premier small-college venues for both swimming and diving and water polo.**

**The home of Grove City's football and track and field teams, Robert E. Thorn Field has received numerous renovations in recent years.**

In addition, the PLC features the James E. Longnecker Pool, one of the premier aquatic facilities in the region. Each year, Grove City hosts the Presidents' Athletic Conference Swimming and Diving Championships at the state-of-the-art facility.

In 2012, the College also hosted the Collegiate Water Polo Association Division III Championships at the James E. Longnecker Pool.

The PLC also features a second pool, the Recreational Pool, which is used by members of the College community year-round.

A fitness room featuring aerobic and Cybex equipment and a separate weight room with free and mechanized weights are also keystone areas of the facility.

The PLC also features six racquetball/handball courts as well as two adjacent intramural rooms.

The intramural rooms feature four basketball courts, four indoor tennis courts, four volleyball courts, an indoor track and two indoor jumping pits.

The College installed new synthetic flooring and several new electronic scoreboards throughout the intramural rooms.

The Physical Learning Center houses the athletic training room, locker rooms and offices for coaches and physical education faculty.

The College recently constructed a new office suite for coaches and athletic administration, while also incorporating its Athletic Hall of Fame area.

Grove City's outdoor athletic facilities have also received numerous upgrades in recent years.

The varsity soccer field, College Field, was expanded and re-sodded during the summer of 2005. College Field also received a new press box during the summer of 2007.

Meanwhile, Grove City's baseball and softball facilities recently received major facelifts as new dugouts, new fencing and electronic scoreboards were installed on both fields.
