Grove City College inducted former volleyball standout Lisa (Lippincott '93) Champion into its Athletic Hall of Fame in February 2013. Lippincott earned AVCA All-America honors as a senior and graduated as Grove City's all-time leader in kills with 1,036. At right is Grove City College President Richard Jewell.

HEAD COACH SUSAN ROBERTS

Susan Roberts is in her 29th season as the head volleyball coach at Grove City College. During her coaching career at Grove City, Roberts has constructed one of the region's premier programs.

Since taking over as head coach in 1985, Roberts has directed Grove City to nine Presidents' Athletic Conference (PAC) championships along with three Eastern College Athletic Conference (ECAC) Southern Championships.

She has guided Grove City to 13 20-win seasons and seven total postseason appearances. Roberts owns a 567-408 (.582) record as Grove City head coach. She earned her 500th win as Grove City head coach Sept. 18, 2007 as the Wolverines defeated Penn State Behrend.

Roberts became Grove City College's all-time leader in total coaching wins Oct. 28, 2008 when the Wolverines downed Bethany. She has 734 wins as a head coach at Grove City.

On October 5, 2011, Roberts recorded her 600th win as a collegiate volleyball coach when the Wolverines earned a 3-2 win at Waynesburg. Overall, she has a 619-432 career record in 30 years as a head volleyball coach.

Roberts made an immediate impact on the Grove City program, leading Grove City to a 41-1 record in 1985, including the program's first PAC title and a berth in the NCAA Championship Tournament.

Roberts earned the Collegiate Volleyball Coaches Association's Division III Coach of the Year award following the 1985 season.

Grove City finished the regular season ranked No. 1 nationally in the AVCA poll that year.

Grove City closed the 1980s as the PAC's dominant program, winning conference titles in 1985, 1986, 1987 and 1989.

That dominance continued into the 1990s as the Wolverines won conference crowns in 1992, 1993 and 1995.

The 1994 team became the first College team to earn an ECAC title as the Wolverines swept Washington & Jefferson and Rutgers-Newark for the ECAC Southern Championship crown. Grove City then repeated as ECAC champion in 1995.

Grove City returned to the top of the PAC in 2000, capturing the program's eighth conference title under Roberts' guidance.

Grove City advanced to the ECAC Southern Championship Tournament semifinals before falling to top-seeded Carnegie Mellon.

The following year, the Wolverines stormed to their ninth PAC title and returned to the ECAC Tournament. Entering as the sixth seed in the six-team tournament, the Wolverines upset Johns Hopkins, Franklin & Marshall and host Moravian to clinch their third ECAC title in seven years.

Grove City volleyball players have also excelled in the classroom under Roberts' guidance. Grove City has produced at least one CoSIDA Academic All-District selection in five of the last seven seasons.

From 1985-93, Roberts coached Grove City's women's basketball team and then coached the softball program from 1994-98. She is the only active coach in the Presidents' Athletic Conference to win conference titles in three different sports currently sponsored by the league.

A native of Ontario, Ohio, Roberts added the role of Associate Director of Athletics in 1998. She also holds the rank of associate professor of physical education.

She earned her undergraduate degree in physical education from Ohio University in 1975 and then earned her master's degree in biomechanics from the University of Arizona.

Roberts lives on Lake Latonka, near Mercer.

Susan Roberts enters her 29th season as Grove City head coach. She has led Grove City to 567 wins since taking over in 1985.

2013 SEASON PREVIEW

The Grove City College volleyball program will commemorate its 40th anniversary season in 2013 and the Wolverines have high expectations for this milestone campaign.

Grove City welcomes back 10 returning letterwinners with extensive experience and four other veterans who are expected to challenge for time in the rotation this season.

Head coach Susan Roberts - now in her 29th season at Grove City - will look for that experienced nucleus to lead the Wolverines back to the top of the Presidents' Athletic Conference.

Grove City features depth and versatility in its senior, junior and sophomore classes. A trio of three-year letterwinners helps comprise Grove City's four-player senior class.

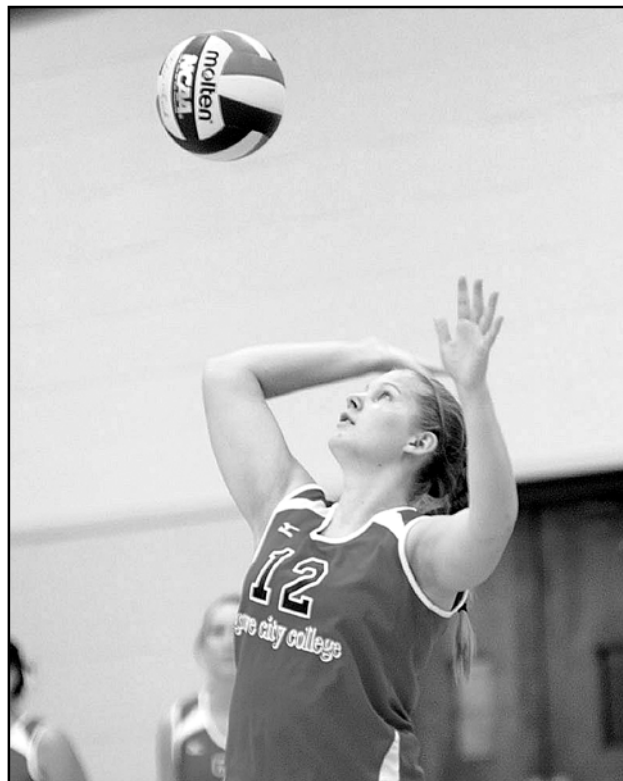

Senior Ashley Branch returns in the middle after leading Grove City in kills and blocks as a junior in 2012.

Senior Ashley Branch is a three-year letterwinner for Grove City. She led the team in blocks in 2012.

Junior setter Amy Collins (above) and junior defensive specialist Frances Trenta (below) both will look to be key contributors again in 2013.

2013 SEASON PREVIEW

The 6-foot Branch also served a team-high 35 aces and will likely be a key contributor both offensively and defensively.

On the outside, 5-foot-9 senior Shelby Mander returns for her fourth season after appearing in all 31 matches last year. Mander ranked fourth on the squad in kills and hitting percentage.

Defensively, libero Tara Skinner will help anchor the back row once again this season. She led Grove City in digs last season and is a two-year team captain.

Senior Tierza Rangel made an immediate impact in her first season at Grove City and will look to be a key cog again in 2013. She posted a team-best .323 hitting percentage in 2012.

Rangel also recorded 64 blocks, which ranked second on the squad.

Three juniors return to the lineup after playing extensively as sophomores. Setter Amy Collins moved into the starting lineup last fall and led the team in assists.

Meanwhile, defensive specialist Frances Trenta appeared in all 31 matches in 2012 and ranked second in digs.

Middle hitter Dalaney Algieri will look to return on a full-time basis after missing time due to injury in 2012. As a freshman, Algieri led Grove City in sets played and finished second in total blocks.

Senior Tierza Rangel appeared in all 31 matches in 2012, her first season at Grove City.

Sophomore Natalija Galens appeared in all 31 matches last fall. She will look to earn a starting spot in 2013.

Junior Hannah Liermann will challenge for a spot in the rotation after seeing duty as a reserve in each of her first two seasons.

Grove City's sophomore class features six returning players who will also contend for time this year. As a freshman last year, Amy Trageser joined Collins in giving Grove City a dynamic setter combination.

Trageser ranked second on the team in assists last fall.

Sophomore middle hitter Christa Currier led Grove City in blocks per set (0.94) last season and will look to bolster the Wolverines' frontline again this season.

Classmate Natalija Galens led the team's rookies by appearing in all 31 matches in 2012 and is expected to be a key contributor this season.

Sophomore outside hitters Stephanie Althausen, Elisabeth Casey and Madeline Lussenhop all saw action as newcomers last year and will compete for an expanded role in 2013.

Grove City opens the 2013 season August 30-31 by competing in the Ohio Wesleyan Bishop Invitational. Presidents' Athletic Conference play begins September 11 at Thiel. Six days later, Grove City opens its home schedule against conference foe Bethany in the Grove City College Arena.

RETURNING LETTERWINNERS

2012 IN REVIEW

The 40th season of intercollegiate competition featured numerous highlights for the Grove City College volleyball team in 2012 as the Wolverines returned to the Presidents' Athletic Conference Championship Tournament and earned several notable wins along the way.

The 2012 Wolverines featured just one senior on the roster in outside hitter Elisabeth Willits. Willits led Grove City in kill average and concluded her career by earned Second Team All-PAC recognition following the season.

Juniors Ashley Branch led Grove City in total kills, blocks and aces in 2012, earning All-PAC Honorable Mention.

Junior Tierza Rangel also earned All-PAC Honorable Mention after leading Grove City in hitting percentage and ranking third in both kills and blocks.

Junior co-captain Tara Skinner took over as Grove City's primary libero and ranked among the conference leaders in digs.

Meanwhile, sophomore Amy Collins and freshman Amy Trageser helped spark the Wolverines' retooled offensive attack by combining for over 900 assists at setter.

Grove City opened the 2012 season at Ohio Wesleyan University's Bishop Invitational in Delaware, Ohio, August 31 and September 1.

After a pair of hard-fought setbacks on the opening night, Grove City broke through by handing previously-unbeaten Ohio Wesleyan a 3-1 defeat. Branch led Grove City with a dozen kills while Collins (26) and Trageser (15) combined for 41 assists.

The Wolverines opened the home schedule September 5 by sweeping Penn State Altoona in the first match held in the newly-renovated Grove City College Arena. Willits paced Grove City with 11 kills.

Conference play opened September 8 with the Wolverines splitting a home tri-match with Thiel and Waynesburg. Thiel topped the Wolverines in the opener but Grove City quickly recovered to sweep Waynesburg, 3-0.

Branch recorded eight kills and a season-high nine blocks in the victory.

Three nights later, Grove City wrapped up its four-match homestand with a 3-1 win over longtime non-conference foe Penn State Behrend. Willits (16), Branch (12) and Rangel (10) all posted double-digit kill totals.

Grove City's early-season surge continued with conference victories away from home against Chatham and Saint Vincent.

The Wolverines then moved to 4-2 in the league September 18 by outlasting visiting Washington & Jefferson, 3-2.

Rangel led Grove City's offense with 14 kills while Skinner tallied 20 digs on defense.

Elisabeth Willits (above) concluded her career at Grove City by earning Second Team All-Presidents' Athletic Conference in 2012. Shelby Mander (below) played in all 107 sets and finished fourth on the team in kills.

2012 IN REVIEW

Grove City wrapped up its regular-season tournament schedule September 28-29 by competing in the York (Pa.) Invitational.

The Wolverines opened the weekend by sweeping FDU-Florham. Grove City then stunned ninth-ranked Cortland State (42-2 in 2011) in the second match of the night, 3-2.

Skinner posted a career-high 30 digs in the five-set victory while Trageser had 21 assists and served three aces.

Grove City stumbled early in October but rebounded October 9 to complete a season sweep of Washington & Jefferson.

Junior Shelby Mander led Grove City in the road win with 11 kills while Branch and freshman Stephanie Althausen each had five blocks.

Four days later, Grove City swept a home tri-match with Chatham and Franciscan as Branch had 21 total kills in the two wins.

The Wolverines moved to the brink of a conference tournament berth with a pivotal 3-0 win at Waynesburg October 23 behind nine Willits kills and Trageser's 15 assists.

Grove City concluded the regular season on Senior Day October 27 by blasting visiting Allegheny, 3-0. Branch tallied 14 kills and Willits closed her home career with seven kills.

Grove City's bid for the conference championship ended in the quarterfinal round October 30, however, as third-seeded Bethany swept the Wolverines.

Willits capped her career with nine kills and Mander added six.

ABOUT THE PAC

Founded in 1955, the Presidents' Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence.

Comprised of 10 select private colleges and universities - Bethany College, Chatham University, Geneva College, Grove City College, Saint Vincent College, Thiel College, Thomas More College, Washington & Jefferson College, Waynesburg University and Westminster College - the PAC remains a unique organization in this day of high-pressure intercollegiate athletics.

With academics at the center of each member's philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself.

During the 2005-06 academic year, Chatham, Geneva and Saint Vincent all joined the PAC. Chatham competed for PAC championships for the first time during the 2007-08 academic year. Saint Vincent first competed for conference titles in 2010-11.

Geneva became eligible for conference titles in 2011-12.

The PAC annually crowns champions in 19 sports. All-Conference status is awarded in all 19 sports. Head coaches select all-league squads for all team sports, while in individual sports such as cross country and tennis, all-PAC accolades are based upon performances at the conference championships.

The PAC annually awards its men's and women's All-Sports Trophies to the schools which perform best across the board in conference competition.

Grove City won the Women's All-Sports Trophy for the 2012-13 academic year while Washington & Jefferson earned the Men's All-Sports Trophy.

In 2012-13, the league named a conference-record 853 student-athletes to the PAC Academic Honor Roll, which recognizes all participating student-athletes who attain a term grade-point average of 3.60 or above during their semester of competition.

Grove City College has inducted four volleyball players and one volleyball team into its Athletic Hall of Fame.

Chris (Carlson '91) Jenkins

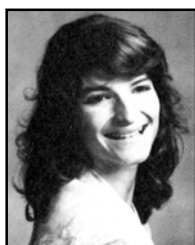

Christine Carlson earned five First Team All-Presidents' Athletic Conference honors and eight monograms during her two-sport college career from 1987 to 1991.

She made an immediate impact on the volleyball court as the 1987 squad captured the PAC title. Over the next three seasons, she earned First Team All-PAC and received the team's MVP award three times.

Carlson helped lead the 1989 team to the conference title and graduated as Grove City's all-time leader with 1,026 kills.

She earned First Team All-PAC in basketball following her junior and senior seasons.

2011 INDUCTEE

Lisa (Lippincott '93) Campion

Lisa Lippincott concluded her volleyball career at Grove City by earning Second Team All-America and Presidents' Athletic Conference Most Valuable Player honors as a senior in 1992.

Lippincott helped lead the Wolverines to conference titles in both 1989 and 1992. She set a new program record with 386 kills in 1992 and ranked among the national leaders with a 3.62 kill average. That kill average also set a new single-season Grove City record. Lippincott graduated as Grove City's all-time kills leader with 1,036.

2013 INDUCTEE

Natalie (Sutyak '82) Watkins

In 1982, Natalie Sutyak became the first Grove City College female athlete to earn All-American honors. A 5-foot-10 senior, she earned NCAA Division III national honors from the American Volleyball Coaches Association.

A two-sport star from Burton, Ohio, she earned four letters in both volleyball and basketball under coach Terry Ellis from 1979-1983. In both her junior and senior years, the volleyball team finished 37-8 and advanced to the NCAA Division III Championship Tournament.

Grove City compiled a 125-41-1 record during her volleyball career, including three Women's Keystone Conference titles.

1985 Volleyball Team

Before the 1985 season started, the Grove City volleyball team faced several new challenges. The players were meeting their third head coach in four years.

It was the first year of competition for women's volleyball in the Presidents' Athletic Conference. The College Arena was not available for practice or competition for most of the season because of emergency work, forcing the team to play its home matches at Grove City High School.

Despite these changes, head coach Susan Roberts and this group of talented women finished the regular season with a perfect 41-0 record and the No. 1 national ranking in NCAA Division III.

This "rainbow season" included two invitational championships and both the Women's Keystone and Presidents' Athletic Conference crowns.

The players all believe the November 5th come-from-behind victory over Slippery Rock (ranked 18th in NCAA Division II at the time) in the re-opened Arena on Parents/Senior Night was the most exciting and memorable match of their careers.

The American Volleyball Coaches Association selected Sue Shadle and Barb Beck for All-America honors and Roberts earned Division III Coach of the Year. Samantha Fales earned Academic All-District.

PROGRAM HISTORY

For 40 seasons, the Grove City College volleyball program has stood among the elite in NCAA Division III competition.

Beginning with a 9-2 mark in the program's first year -- 1973 -- through outstanding seasons in the 21st Century, excellence has been the program's calling card.

Grove City has accumulated 856 wins, 19 conference championships and 13 postseason berths since the program's inception.

Women's intercollegiate sports began at the College during the 1970s and Grove City quickly emerged as the area's preeminent women's varsity program.

The volleyball program helped lead that rapid rise as the Wolverines compiled a 41-11 record from 1973-75 while competing as an independent under head coach Terry Ellis.

In 1976, Grove City became a charter member of the newly-created Women's Keystone Conference. The 1976 team won the College's first-ever WKC title by going 7-0 in conference play.

Grove City also made its first-ever postseason appearance as the Wolverines qualified for the Eastern Association of Intercollegiate Athletics for Women (EAIWA) Tournament.

Grove City repeated as WKC champion in both 1977 and 1978. The 1979 team took second in the conference with a 6-1 WKC record but still set a program record with 24 victories.

The 1979 team also took fifth at the EAIWA Championship Tournament.

Grove City opened the 1980s by returning to the top of the WKC with a 7-0 league mark and a 27-13 overall record in 1980. The Wolverines earned runner-up honors at the EAIWA Tournament.

In 1981, Grove City shattered the program record for single-season victories by accumulating a 37-8 record. Grove City also went undefeated in the WKC and qualified for the first-ever NCAA Division III Women's Volleyball Championship Tournament.

The 1980 squad set a new single-season program record with 27 victories. Grove City also won the WKC title and placed second at the Eastern Association of Intercollegiate Athletics for Women Tournament.

In 1981, Grove City qualified for the first-ever NCAA Division III Volleyball Championship Tournament after winning the WKC title.

The Wolverines fell to eventual national semifinalist Benedictine in the first round of the tournament. Grove City finished the regular season ranked fifth in the country.

Grove City's 10th season of intercollegiate play proved to be the finest to that point in program history. Grove City rolled through an expanded WKC schedule to win the Wolverines' sixth league title in seven years with a 14-0 WKC mark.

The Wolverines concluded the regular season at 35-7 and earned the right to host Mount Holyoke (Mass.) in the first round of the NCAA Championship Tournament.

Grove City eliminated Mount Holyoke with a 3-1 victory before a capacity crowd in the Grove City College Arena.

In the second round in Huntingdon, Pa., Grove City swept seventh-ranked Macalester, 3-0, before dropping a 3-2 decision to second-ranked Juniata in the national quarterfinals.

Grove City hosted Mount Holyoke (Mass.) in the opening round of the 1982 NCAA Division III Championship Tournament. The Wolverines advanced to the second round with a 3-1 win.

PROGRAM HISTORY

Senior Natalie Sutyak earned Honorable Mention All-America honors from the American Volleyball Coaches Association following the season.

Ellis stepped down following the 1982-83 academic year after compiling a 222-65-1 record as head volleyball coach. Judy Zarenko guided Grove City to a 31-11 record and the WKC title in 1983.

The 1984 squad won the program's eighth conference title and earned an invitation to the NCAA Tournament with a 35-5 regular season record. Grove City rolled past Wooster in the opening round before falling to Juniata in the second round.

The Wolverines faced numerous challenges at the start of the 1985 season. Susan Roberts became the program's third head coach in a four-year span.

The 1985-86 year also marked the beginning of women's sports in the Presidents' Athletic Conference, which Grove City had joined the previous year.

Grove City finished the 1985 regular season as the nation's No. 1 ranked team with a 41-0 record. The Wolverines won the final WKC title as well as the inaugural Presidents' Athletic Conference volleyball crown.

In addition to the traditional WKC opponents, the Wolverines would also play a 12-game PAC schedule for the first time.

While those hurdles were somewhat anticipated, a third obstacle popped up unexpectedly. An emergency renovation project in the Grove City College Arena forced the Wolverines to temporarily move their home matches across town to Grove City High School.

In spite of those challenges, Grove City still assembled the finest regular season in program history. The Wolverines went 6-0 in the WKC while also sweeping all 12 PAC matches.

The Wolverines finally returned to the College Arena Nov. 5, 1985 for a Senior Night showdown with backyard rival Slippery Rock, the nation's 18th-ranked Division II squad.

Grove City's 2-1 victory over the Rockets secured an undefeated regular season. The Wolverines finished the regular season 41-0 overall and ranked No. 1 nationally.

Of Grove City's 41 wins that season, 33 came by either a 2-0 or 3-0 score. The Wolverines lost just 11 total games during the regular season.

In the NCAA Tournament, visiting Juniata dashed Grove City's hopes of a national title with a four-game victory in the second round.

Roberts earned the AVCA's Division III Coach of the Year award while junior Sue Shadle earned Second Team AVCA All-America honors. Senior Barb Beck earned AVCA Honorable Mention All-America status.

Grove City made its fifth trip to the NCAA Tournament in six seasons in 1986 as the Wolverines racked up 36 wins.

The Wolverines also posted their second consecutive 12-0 mark in the PAC.

Shadle became the program's first player to receive multiple AVCA All-America honors as she earned First Team recognition as a senior in 1986.

The Wolverines' Presidents' Athletic Conference win streak reached 36 in 1987 as Grove City completed another 12-0 record in conference play. Grove City finished the 1987 season with a 27-9 record.

Grove City's run as conference champion ended in 1988 as the Wolverines finished second with a 9-2 PAC mark. However, the Wolverines closed the decade in the same manner they began the 1980s -- with a conference title.

Grove City compiled a 26-13 mark in 1989, including an 8-0 record in the PAC.

Following a 19-17 mark in 1990, Grove City recorded 28 victories the next year, along with the team's second straight runner-up finish in the PAC.

In 1992, Grove City returned to the top of the PAC with a 7-1 league record. Senior Lisa Lippincott became the fourth Grove City volleyball player to earn All-America as she received Second Team honors from the AVCA.

Grove City won its sixth PAC title in 1993 as part of the Wolverines' 13th 20-win season. Grove City went 8-1 in the conference on its way to the league title.

Grove City returned to postseason play in 1994 as the Wolverines compiled a 29-13 overall record and a berth in the Eastern College Athletic Conference (ECAC) Championship Tournament.

In the ECAC semifinals, Grove City blasted PAC rival Washington & Jefferson, 3-0. The Wolverines then captured the school's first ECAC title by sweeping Rutgers-Newark.

The next year, Grove City capped a 34-10 season by sweeping Vassar in the ECAC finals, 3-0, to secure the program's second straight title.

Grove City also returned to the top of the PAC that fall with an 8-0 league record.

Jeannie Annan earned ECAC Tournament Most Valuable Player honors each season after helping lead the Wolverines to the tournament title.

Grove City also advanced to the 1996 ECAC Tournament semifinals after earning PAC runner-up status.

Grove City earned runner-up honors in the conference in 1997, 1998 and 1999 before starting the new decade in stellar fashion.

The 2000 Wolverines became the first team in program history to win the PAC title by virtue of winning the PAC Championship Tournament.

Grove City won its first-ever Presidents' Athletic Conference Championship Tournament in 2000.

The 2001 squad won both the Presidents' Athletic Conference and the ECAC Southern Championship Tournaments.

Grove City downed Waynesburg, 3-0, in the conference tournament finals.

Grove City then topped Western Maryland in the ECAC quarterfinals before falling to host Carnegie Mellon in the ECAC Tournament semifinals.

One year later, Grove City secured consecutive PAC titles for the first time since 1992-93 seasons by again topping Waynesburg in the PAC Tournament finals.

The Wolverines entered the six-team ECAC Championship Tournament as the No. 6 seed but quickly dispatched third-seeded Johns Hopkins in the quarterfinal.

Grove City then swept No. 2 Franklin & Marshall in the semifinals before earning a 3-1 title game win over top-seeded Moravian.

Senior Julie Porter earned ECAC Most Valuable Player honors for performance in the three tournament matches.

The 2002 team recorded the program's 27th straight top-two finish in conference play, finishing 18-16 overall. Meanwhile, the 2006 and 2007 squads posted Grove City's first consecutive 20-win seasons since the 2000-01 teams accomplished that feat.

Roberts earned her 500th victory as the Wolverines' head coach Sept. 18, 2007 as Grove City rallied for a 3-2 victory over Penn State Behrend.

Also that season, setter Kim Walsh established a new Grove City record by finishing her career with 4,413 assists.

In 2008, Natalie Liberati became the program's all-time leader in kills with 1,420.

Roberts became Grove City's all-time leader in total coaching victories with 689 overall wins during that season. Grove City added another milestone during the 2008 season when the program recorded its 800th all-time win since the program started.

ABOUT THE COLLEGE

The beautifully landscaped campus of Grove City College stretches over 150 acres and includes 28 neo-Gothic buildings. It is considered one of the loveliest in the nation.

While the College has changed to meet the needs of the society it serves, its basic philosophy has remained unchanged since its founding in 1876. It is a Christian, liberal arts institution, dedicated to the principle of providing the highest quality education at the lowest possible cost.

Wishing to remain truly independent and to retain its distinctive qualities as a private school governed by private citizens (trustees), it is one of few colleges in the country that does not accept federal funds.

Affiliated with the Presbyterian Church (U.S.A.), but not narrowly denominational, the College believes that to be well-educated a student should be exposed to the central ideas of the Judeo-Christian tradition.

Grove City College offers undergraduate degrees in liberal arts, sciences, engineering, business, and music and is distinguished as a national leader in education.

Grove City's programs in electrical and mechanical engineering are accredited by the Engineering Accreditation Commission Board of the Accreditation Board for Engineering and Technology.

The "big business school curriculum" prepares students for today's global business reality. An extensive variety of internship opportunities are provided across the curriculum.

Grove City College wants its students to be prepared in this age of mobile information technology.

Each entering freshman receives a tablet computer which is his or hers to keep upon graduation with a four-year degree.

This is part of the Information Technology Initiative, a total program integrating technology across the curriculum.

**Grove City College's
Breen Student Union**

The College believes that its student body has a unique mix of talents and abilities.

Its Career Services program helps students identify those key assets during the first year and then builds a four-year strategy to help them pursue a satisfying career.

Personal counseling, professional speakers, databases, alumni contacts, summer internships, corporate visits, employer presentations and more are incorporated into the career preparation experience.

Grove City follows the semester calendar plan, in addition to offering two-week sessions in January and May.

Most of the 2,500 students live in separate men's and women's dormitories. The rest are local commuters or married students.

A full program of cultural, professional, athletic and social activities is offered, including 19 intercollegiate varsity athletic teams.

Grove City, a town of 8,100 people, is located 60 miles north of Pittsburgh. It is located near Interstates 79 and 80 and has a municipal airport.

ATHLETIC FACILITIES

All 19 of Grove City College's intercollegiate varsity athletic teams utilize the College's superior facilities for competition, practices and off-season training and conditioning.

Grove City's athletic facilities have undergone numerous renovations and improvements in recent years, with more upgrades scheduled in the immediate future.

On lower campus, Robert E. Thorn Field is home to the College's football and track and field teams. The College installed CSTurf at Robert E. Thorn Field. CSTurf is a synthetic playing surface that features polyethylene LSR grass fibers and a rubber infill system.

The College also installed lights and resurfaced the 8-lane track around the field. Grove City also reconfigured its setup for track meets during these renovations.

In 2011, the College installed a new state-of-the-art scoreboard and new bleachers on the visitors' side at Thorn Field.

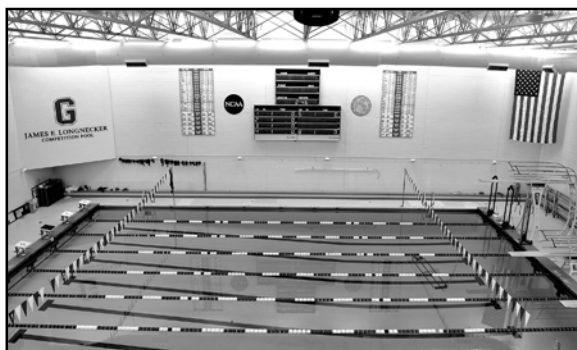

These upgrades benefit the entire campus community as the complex is used by both the College's club sports teams and its intramural program, along with the varsity teams.

The track is also available for use by recreational walkers and joggers. The complex also features 10 all-weather tennis courts next to the stadium.

Phillips Field House, located at the north end of the complex, features several locker rooms, an athletic training room, meeting rooms and coaches' offices. It is used by the football, track and tennis programs throughout the academic year.

The Physical Learning Center (PLC) houses the Grove City College Arena, home to the College's basketball and volleyball programs.

In summer 2012, the College renovated the Arena by installing new lighting and a new playing floor. In recent years, the Arena has also received new scoreboards and scorers' tables.

The James E. Longnecker Pool is one of the nation's premier small-college venues for both swimming and diving and water polo.

The home of Grove City's football and track and field teams, Robert E. Thorn Field has received numerous renovations in recent years.

In addition, the PLC features the James E. Longnecker Pool, one of the premier aquatic facilities in the region. Each year, Grove City hosts the Presidents' Athletic Conference Swimming and Diving Championships at the state-of-the-art facility.

In 2012, the College also hosted the Collegiate Water Polo Association Division III Championships at the James E. Longnecker Pool.

The PLC also features a second pool, the Recreational Pool, which is used by members of the College community year-round.

A fitness room featuring aerobic and Cybex equipment and a separate weight room with free and mechanized weights are also keystone areas of the facility.

The PLC also features six racquetball/handball courts as well as two adjacent intramural rooms. The intramural rooms each feature four basketball courts, four indoor tennis courts, four volleyball courts, an indoor track and two indoor jumping pits.

The College installed new synthetic flooring and several new electronic scoreboards throughout the intramural rooms.

The Physical Learning Center houses the athletic training room, locker rooms and offices for coaches and physical education faculty.

The College recently constructed a new office suite for coaches and athletic administration, while also incorporating its Athletic Hall of Fame area.

Grove City's outdoor athletic facilities have also received numerous upgrades in recent years.

The varsity soccer field, College Field, was expanded and re-sodded during the summer of 2005. College Field also received a new press box during the summer of 2007.

Meanwhile, Grove City's baseball and softball facilities recently received major facelifts as new dugouts, new fencing and electronic scoreboards were installed on both fields.
