HEAD COACH MELISSA LAMIE

Melissa Lamie enters her 21st season as Grove City College's women's soccer head coach. Since taking over prior to the 1993 season, Lamie has directed Grove City to 217 victories, five Presidents' Athletic Conference championships and three invitations to the NCAA Division III Championship Tournament.

Last year, Grove City finished 16-4-2 overall and advanced to the second round of the NCAA Championship Tournament for the first time in program history. She earned the conference's Coach of the Year award for her efforts.

In 2009, Lamie earned PAC Coach of the Year recognition after guiding the Wolverines to a 7-0 conference record and a berth in the ECAC Tournament. She owns a 217-148-29 (.588) career record in 20 seasons as head coach.

During the 2007 season, Lamie directed Grove City to a school-record 16 wins and the top seed in the Eastern College Athletic Conference Southern Championship Tournament. The 2001 squud posted the program's ninth double-digit victory total in 11 years by going 12-7-2 overall. The Wolverines advanced to the semifinals of the ECAC

Southern Championship Tournament. Grove City gave Lamie her 200th victory as women's soccer coach when the Wolverines downed Saint Vincent October 26, 2011.

Under Lamie's guidance, Grove City became the first PAC women's soccer team to go 10-0 against conference opponents during the 2003 season. The Wolverines capped the year by earning their second consecutive berth in the NCAA Division III Tournament with a 16-4-1 record. The next year, Grove City went 14-6-2 and won the PAC's regular season title with a 9-1 record. Lamie earned the conference's Coach of the Year award following the 2004 season.

In 2000, Grove City earned its first-ever postseason invitation by qualifying for the ECAC Mid-Atlantic Champion-ship Tournament. Two years later, the Wolverines earned the program's first-ever NCAA Division III Tournament berth.

In both 2002 and 2003, former standout Meg Tilley received CoSIDA Academic All-America honors. In 2009, six Grove City players achieved CoSIDA Academic All-District honors.

A native of Denver, Lamie earned a bachelor of arts degree in physical education from Calvin College in Grand Rapids, Mich. in 1992. In 1993, she completed her master of arts degree in physical education from Northern Colorado University.

Lamie is also Grove City's head men's and women's golf coach. She directed the women's golf team to conference titles in both 2011 and 2013. Lamie also coached the women's basketball team at Grove City from 1992 to 2006 and is that program's all-time wins leader with 157.

She lives in Pine Township with her husband Steve, the College's head men's basketball coach, and their three children: Melia, 12, and twins Caleb Michael and Rayna Joy.

ASSISTANT STAN KEEHLWETTER

Dr. Stan Keehlwetter enters his 14th season as the assistant women's soccer coach at Grove City.

As an assistant at Grove City, Keehlwetter has helped Grove City capture two Presidents' Athletic Conference titles and eight postseason invitations.

Keehlwetter joined Grove City College on a full-time basis in 2004 as the Dean of Harbison Chapel. As Dean of Harbison Chapel, Keehlwetter works closely with student-led religious organizations on campus and also coordinates the College's Chapel program. He became Dean of the Chapel in 1999.

Keehlwetter also served as Grove City's head men's track and field coach from 2004 to 2008. Under his guidance, the Wolverines won four consecutive PAC titles (2005-2008). Over

50 track and field athletes qualified for the ECAC Championships in his five years as head men's track and field coach. In 2007, thrower Bob Perri earned All-America honors in the shot put at the NCAA Division III Championships. Keehlwetter currently serves as an assistant track coach at the College.

A graduate of Gordon College, where he was a three-year starter on the men's soccer team, Keehlwetter owns master's degrees from Duquesne and Gordon-Conwell Theological Seminary.

He earned his doctorate from Fuller Theological Seminary and lives in Wexford with his wife, Lois. They have three adult children.

2013 SEASON PREVIEW

Most intercollegiate women's soccer programs would be satisfied with a 16-win season that culminated with a trip to the second round of the NCAA Championship Tournament.

But as the 2013 season approaches for the Grove City College women's soccer program, those accomplishments from last year are merely a foundation for greater achievement this fall.

The Wolverines return nine starters and 11 other letterwinners in their quest for the Presidents' Athletic Conference title and a return trip to the national tournament.

Grove City will feature one of the largest senior classes in program history as nine players return for their final season.

Two of those fourth-year performers earned All-Great Lakes Region recognition last year - senior midfielder Sarah Cessar and senior forward Sam Weber

Cessar earned First Team All-Region in 2012 and is expected to be a key contributor at both ends of the field.

Weber, meanwhile, earned Second Team All-Region after scoring a team-high 13 goals as a junior. She is Grove City's active career leading scorer with 24 goals.

Both players earned First Team All-PAC last year.

Senior forward Sam Weber is Grove City's active career leading scorer with 24 goals. She earned Second Team All-Great Lakes Region as a junior.

Senior center back Jessica Heck is a two-time All-Presidents' Athletic Conference selection.

Senior forward Shannon Bishop, Becky McManus and Chelsea Tarolli all return after strong 2012 seasons.

Tarolli ranked second on the team in goals, assists and points last year in her first season as a full-time starter.

Bishop scored four times and is a three-year letterwinner for the Wolverines while McManus also scored four times in her first season at Grove City.

Both Bishop and McManus will push for starting spots this year.

The senior class will also fortify Grove City's defense in 2013. At center back, senior Jessica Heck is a two-year starter and classmate Leah Wilt enters her fourth year as a starter.

They are joined at outside back by senior Lydia Caissy, another three-year starter.

All three played an integral role in Grove City's 11 shutouts last season.

In goal, senior Tiffany Yost will challenge for the full-time starting spot after serving as Grove City's primary goalkeeper in 2010 and 2011. She owns 19 career wins.

2013 SEASON PREVIEW

Six juniors also return for Grove City after having all earned two letters previously. Goalkeeper Kristi Lathrop earned 15 wins in goal last year while compiling an 0.82 goals-against average in 21 starts.

Outside back Molly Weitzel moved into the starting lineup as a sophomore and joined the three current seniors in forming one of the region's top defensive corps.

She will look to maintain her starting spot this fall. Junior defender Nicole Youngs-Stahl will also battle for a starting spot after playing as a part-time starter in each of her first two seasons.

Junior Julie Eckendorf also returns at defender after playing as a reserve in 2011 and 2012.

Versatile junior Sarah Flenniken has 16 career starts at Grove City while playing a variety of positions over her first two seasons.

She will look to hold down a full-time starting spot again in 2013.

Junior midfielder Holly Spofford emerged as a stalwart in 2012, starting 21 matches. She will look to again be a major contributor both offensively and defensively this fall.

Five sophomores are also back after lettering in 2012. Midfielders Abby Mathes and Kristin Thomas each played in all 22 matches as rookies and will look to capture full-time starting spots this season.

Midfielder Jade Welsh, defender Madi Zajicek and goalkeeper Nicole Lapia all saw duty as reserves in 2012 and will each battle for a spot in the lineup this fall

Grove City opens the 2013 season August 30-31 by competing in the Gettysburg College Tournament.

The home schedule begins September 14 against Baldwin-Wallace while conference play starts October 4 against visiting Waynesburg.

Junior defender Molly Weitzel returns for her second season as a starter at outside back. She is a two-year letterwinner for the Wolverines.

Senior midfielder Sarah Cessar earned First Team All-Great Lakes Region and First Team All-Presidents' Athletic Conference recognition as a junior.

Senior defender Lydia Caissy enters her fourth season as a starter at outside back for Grove City.

2012 IN REVIEW

To say that highlights filled the 2012 season of the Grove City College women's soccer program would be a tremendous understatement.

From preseason camp in mid-August through Veterans Day weekend in November, the Wolverines assembled one of the finest and most memorable seasons in program history.

Grove City posted a 15-3-2 record during the regular season and earned the program's third all-time NCAA Division III Championship Tournament invitation.

The Wolverines then secured their first-ever NCAA Tournament win by edging Western Connecticut State in overtime, 1-0, in the opening round of the tournament November 10.

Overall, the Wolverines' 16 victories in 2012 tied the program's single-season record.

Grove City achieved its 16-4-2 overall mark while playing one of the nation's toughest schedules. Five of Grove City regular-season opponents qualified for the NCAA Tournament and several other foes spent time in the regional rankings.

Head coach Melissa Lamie earned Presidents' Athletic Conference Coach of the Year following the season.

Numerous Grove City players earned postseason honors in recognition of their respective play throughout 2012.

Senior midfielder Grace Rieman led Grove City with six assists in 2012 and earned First Team All-PAC honors.

Sophomore goalkeeper Kristi Lathrop tied a school record with 15 victories in 2012.

Junior midfielder Sarah Cessar earned First Team All-Great Lakes Region from the National Soccer Coaches Association of America while junior forward Sam Weber captured Second Team All-Great Lakes honors.

Cessar, Weber and senior midfielder Grace Rieman all merited First Team All-Conference recognition from the league's head coaches.

Junior defender Jessica Heck and sophomore goalkeeper Kristi Lathrop both earned Second Team All-PAC distinction.

Meanwhile, junior defenders Lydia Caissy and Leah Wilt each received All-PAC Honorable Mention. Caissy and Heck also earned First Team Capital One/CoSIDA Academic All-District distinction.

Twenty-three different players started at least one match and 15 players scored at least once during the season

Defensively, the Wolverines recorded an 0.74 goals-against average and 11 shutouts. Lathrop tied a program record with 15 victories in goal.

Weber led Grove City with 13 goals while Rieman paced the team with six assists.

Junior Chelsea Tarolli ranked second in each category with five goals and five assists. Her 15 points ranked second to Weber's 30.

Grove City also went the entire season without receiving a card and again earned the NSCAA's Gold Ethics Award for that accomplishment.

Senior Bethany Kolodziej tied for second on the team with a career-high five goals in 2012.

Junior Sarah Cessar earned First Team All-Region and First Team All-PAC honors following the 2012 season.

ABOUT THE PAC

Founded in 1955, the Presidents' Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence.

Comprised of 10 select private colleges and universities - Bethany College, Chatham University, Geneva College, Grove City College, Saint Vincent College, Thiel College, Thomas More College, Washington & Jefferson College, Waynesburg University and Westminster College - the PAC remains a unique organization in this day of high-pressure intercollegiate athletics.

With academics at the center of each member's philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself.

During the 2005-06 academic year, Chatham, Geneva and Saint Vincent all joined the PAC. Chatham competed for PAC championships for the first time during the 2007-08 academic year.

Saint Vincent first competed for conference titles in 2010-11.

Geneva became eligible for conference titles in 2011-12.

The PAC annually crowns champions in 19 sports. All-Conference status is awarded in all 19 sports. Head coaches select all-league squads for all team sports, while in individual sports such as cross country and tennis, all-PAC accolades are based upon performances at the conference championships.

The PAC annually awards its men's and women's All-Sports Trophies to the schools which perform best across the board in conference competition.

Grove City won the Women's All-Sports Trophy for the 2012-13 academic year while Washington & Jefferson earned the Men's All-Sports Trophy.

In 2012-13, the league named a conference-record 853 student-athletes to the PAC Academic Honor Roll, which recognizes all participating student-athletes who attain a term grade-point average of 3.60 or above during their semester of competition.

ABOUT THE COLLEGE

The beautifully landscaped campus of Grove City College stretches over 150 acres and includes 28 neo-Gothic buildings. It is considered one of the loveliest in the nation.

While the College has changed to meet the needs of the society it serves, its basic philosophy has remained unchanged since its founding in 1876. It is a Christian, liberal arts institution, dedicated to the principle of providing the highest quality education at the lowest possible cost.

Wishing to remain truly independent and to retain its distinctive qualities as a private school governed by private citizens (trustees), it is one of few colleges in the country that does not accept federal funds.

Affiliated with the Presbyterian Church (U.S.A.), but not narrowly denominational, the College believes that to be well-educated a student should be exposed to the central ideas of the Judeo-Christian tradition.

Grove City College offers undergraduate degrees in liberal arts, sciences, engineering, business, and music and is distinguished as a national leader in education.

Grove City's programs in electrical and mechanical engineering are accredited by the Engineering Accreditation Commission Board of the Accreditation Board for Engineering and Technology.

The "big business school curriculum" prepares students for today's global business reality. An extensive variety of internship opportunities are provided across the curriculum.

Grove City College wants its students to be prepared in this age of mobile information technology.

Each entering freshman receives a tablet computer which is his or hers to keep upon graduation with a four-year degree.

This is part of the Information Technology Initiative, a total program integrating technology across the curriculum.

Grove City College's Breen Student Union

The College believes that its student body has a unique mix of talents and abilities.

Its Career Services program helps students identify those key assets during the first year and then builds a four-year strategy to help them pursue a satisfying career.

Personal counseling, professional speakers, databases, alumni contacts, summer internships, corporate visits, employer presentations and more are incorporated into the career preparation experience.

Grove City follows the semester calendar plan, in addition to offering two-week sessions in January and May.

Most of the 2,500 students live in separate men's and women's dormitories. The rest are local commuters or married students.

A full program of cultural, professional, athletic and social activities is offered, including 19 intercollegiate varsity athletic teams.

Grove City, a town of 8,100 people, is located 60 miles north of Pittsburgh. It is located near Interstates 79 and 80 and has a municipal airport.

ATHLETIC FACILITIES

All 19 of Grove City College's intercollegiate varsity athletic teams utilize the College's superior facilities for competition, practices and off-season training and conditioning.

Grove City's athletic facilities have undergone numerous renovations and improvements in recent years, with more upgrades scheduled in the immediate future.

On lower campus, Robert E. Thorn Field is home to the College's football and track and field teams. The College installed CSTurf at Robert E. Thorn Field. CSTurf is a synthetic playing surface that features polyethylene LSR grass fibers and a rubber infill system.

The College also installed lights and resurfaced the 8-lane track around the field. Grove City also reconfigured its setup for track meets during these renovations.

In 2011, the College installed a new state-ofthe-art scoreboard and new bleachers on the visitors' side at Thorn Field.

These upgrades benefit the entire campus community as the complex is used by both the College's club sports teams and its intramural program, along with the varsity teams.

The track is also available for use by recreational walkers and joggers. The complex also features 10 all-weather tennis courts next to the stadium.

Phillips Field House, located at the north end of the complex, features several locker rooms, an athletic training room, meeting rooms and coaches' offices. It is used by the football, track and tennis programs throughout the academic year.

The Physical Learning Center (PLC) houses the Grove City College Arena, home to the College's basketball and volleyball programs.

In summer 2012, the College renovated the Arena by installing new lighting and a new playing floor. In recent years, the Arena has also received new scoreboards and scorers' tables.

The James E. Longnecker Pool is one of the nation's premier small-college venues for both swimming and diving and water polo.

The home of Grove City's football and track and field teams, Robert E. Thorn Field has received numerous renovations in recent years.

In addition, the PLC features the James E. Longnecker Pool, one of the premier aquatic facilities in the region. Each year, Grove City hosts the Presidents' Athletic Conference Swimming and Diving Championships at the state-of-the-art facility.

In 2012, the College also hosted the Collegiate Water Polo Association Division III Championships at the James E. Longnecker Pool.

The PLC also features a second pool, the Recreational Pool, which is used by members of the College community year-round.

A fitness room featuring aerobic and Cybex equipment and a separate weight room with free and mechanized weights are also keystone areas of the facility.

The PLC also features six racquetball/handball courts as well as two adjacent intramural rooms. The intramural rooms each feature four basketball courts, four indoor tennis courts, four volleyball courts, an indoor track and two indoor jumping pits.

The College installed new synthetic flooring and several new electronic scoreboards throughout the intramural rooms.

The Physical Learning Center houses the athletic training room, locker rooms and offices for coaches and physical education faculty.

The College recently constructed a new office suite for coaches and athletic administration, while also incorporating its Athletic Hall of Fame area.

Grove City's outdoor athletic facilities have also received numerous upgrades in recent years.

The varsity soccer field, College Field, was expanded and re-sodded during the summer of 2005. College Field also received a new press box during the summer of 2007.

Meanwhile, Grove City's baseball and softball facilities recently received major facelifts as new dugouts, new fencing and electronic scoreboards were installed on both fields.
