HEAD COACH MIKE DREVES

Mike Dreves enters his sixth season as Grove City College’s head men's soccer coach. In his first five seasons, Dreves has guided the Wolverines to 46 total wins and four Presidents’ Athletic Conference Tournament appearances.

Last year, Dreves directed Grove City to 15 victories and to the championship match of the Eastern College Athletic Conference Southern Championship Tournament.

In 2006 -- his first season at the helm -- Grove City advanced to the ECAC semifinals after upsetting top-seeded Swarthmore in the quarterfinals.

A 1997 Grove City College graduate, Dreves took over as head coach in June 2006 after serving as an assistant coach for five seasons under retired head coach Dr. Don Lyle.

As an assistant coach, he helped the Wolverines post four winning seasons, an average of 11 wins per season and two postseason berths.

In 2005, Grove City captured its first-ever Presidents’ Athletic Conference Championship Tournament title with a 2-1 victory over top-seeded Washington & Jefferson Nov. 5. The Wolverines advanced to the Eastern College Athletic Conference Southern Championship Tournament finals and finished 2005 with a 13-6-5 record.

In addition to excelling on the field, Grove City players have also fared well in the classroom. The program earned the National Soccer Coaches Association of America (NSCAA) Team Academic Award in both 2008 and 2009. Grove City also received the NSCAA Ethics Award in 2009.

Dreves earned four letters as a player at Grove City from 1993-96. He captained the 1995 and 1996 teams and helped lead the Wolverines to the 1996 PAC and ECAC titles. The 1996 team earned the program’s first PAC title and also posted a program-record 16 victories.

Dreves’ coaching career began at the scholastic level. He guided the Titusville (Pa.) High School boys’ soccer program from 1997-2000, directing the Rockets to 39 wins and one Tri-County Athletic Conference championship (1998) in four seasons.

He then joined the Grove City coaching staff prior to the start of the 2001 season and helped the Wolverines reach the ECAC Tournament twice.

Dreves graduated from Grove City in May 1997 with a bachelor’s degree in mathematics/secondary education. He then earned his master’s degree in exercise science at nearby Slippery Rock University.

He taught mathematics at both Titusville (1997-2001) and Mercer (2001-06) High Schools before coming to the College. Dreves joined the Grove City athletic department on a full-time basis in June 2006 as an assistant professor of physical education and as Fitness Room Coordinator.

Dreves lives in Pine Township with his wife Sue (also a 1997 Grove City graduate) and their two sons, Joshua and Isaac.

ASSISTANT COACH RYAN EDWARDS

Ryan Edwards enters his second season as an assistant men’s soccer coach at Grove City College.

Edwards joined the Grove City program prior to the start of the 2010 season and helped the Wolverines to a 15-6-2 mark, along with a berth in the Eastern College Athletic Conference Southern Championship Tournament finals.

Edwards came to Grove City after playing four seasons at perennial national powerhouse Messiah College. He helped the Falcons to national titles in 2004, 2005 and 2006. As a senior in 2007, Edwards helped Messiah advance to the national semifinals.

While at Messiah, Edwards worked at the school’s summer camps. He also worked at the United States Naval Academy’s summer soccer camp.

Edwards works as a chemistry teacher for the Grove City Area School District. He lives in Grove City with his wife, Lynn.
Entering the 2011 season, the Grove City College men’s soccer program must replace 10 graduated seniors from its 2010 championship-caliber squad. In most instances, a program facing those circumstances would be in store for a rebuilding season. However, that is far from the case for the Wolverines this fall.

Grove City returns seven starters and 15 total letterwinners from a squad that recorded 15 victories, the second-highest total in program history. The Wolverines hope that core, combined with several other talented players who have bid their time, will be the key to lifting Grove City back to the top of the Presidents’ Athletic Conference and once again into postseason play.

Sixth-year head coach Mike Dreves will rely upon a five-man senior class in 2011. All five seniors have started during the course of their career at Grove City and all five are contenders to secure full-time starting spots this season.

Three of the five seniors will bolster Grove City at midfield, including two-time All-PAC honoree Adam Brewer and CoSIDA Academic All-America candidate Brian Eckenhoff.

Senior Adam Brewer has earned All-Conference honors in each of the last two seasons. He is one of five senior lettermen on the 2011 roster.

Senior midfielder Brian Eckenhoff played in all 23 matches as a junior and will be counted on at both ends of the field again in 2011.

Brewer moved into the starting lineup as a freshman and recorded five goals in 18 starts last fall. He is Grove City’s active leader in matches played.

Eckenhoff moved into the starting lineup on a permanent basis midway through the 2010 season and added four goals in his 23 total appearances.

Senior letterman Tim Boswell made two starts at midfielder in 2010 and has an inside track for a starting spot this fall.

At forward, senior Ben Kuniholm will look to reclaim a starting spot this fall after making 12 starts in 2009. Injuries limited Kuniholm to just eight appearances in his junior season.

Senior Mark Leach is the lone senior among Grove City’s returning group of defenders. Leach has played as a reserve over the past two seasons and is one of the leading candidates to start at center back this fall.

Three junior letterwinners return for the 2011 campaign and all three players have extensive starting experience.

Junior Alex Ayer has started at both midfielder and forward throughout his career and will likely be a key contributor to the Grove City attack. Ayer played in all 23 matches last year, including 21 starts.
2011 Season Preview

Burgan started all 23 matches as a freshman. Sophomore defender Daniel Adams will join Burgan in helping solidify the Wolverine defense. Adams made 22 starts at outside back in 2010 and also contributed three assists.

Five second-year players who all played extensively as reserves last year will look to earn full-time starting jobs this season.

Sophomore Nick Finelli made two starts at defender and will look to move into the lineup permanently in 2011. Meanwhile, sophomore Zach Juergens will battle for a starting midfielder spot after lettering as a freshman.

Up front, sophomores Josh Kern, Richie Kocur and Kyle Matherne are all in the mix after seeing extensive time last fall.

A handful of newcomers could also work their way into the Wolverine lineup this fall.

Grove City opens its season September 1 against visiting Adrian. Conference play will begin October 1 at Bethany. The top four teams in the PAC will qualify for the season-ending conference tournament.

Junior Alex Ayer moved into the starting lineup as a freshman in 2009 and is a two-year letterwinner for Grove City.

Junior forward Andrew Quinn ranked second on the squad with six goals in 2010 after leading the team in scoring as a rookie two years ago. Quinn will also likely be a key source of offense for the Wolverines again this fall.

At center back, junior Jesse Wilson moved into the starting lineup at midseason and helped the Wolverines record seven shutouts in his 12 starts. Wilson will likely help anchor the Wolverine defense again this fall.

Junior midfielder Evan Bjorndal will challenge for a spot in the lineup after seeing reserve duty in each of his first two seasons at Grove City.

Seven sophomore letterwinners return, all of whom saw extensive action as rookies in 2010.

In goal, First Team All-PAC selection Chris Burgan returns after leading the conference in save percentage and shutouts.

The Grove City College men’s soccer team returned to the forefront of the Presidents’ Athletic Conference in 2010 as the veteran-laden Wolverines won 15 matches, recorded a 6-1 conference mark and advanced to the finals of the Eastern College Athletic Conference Southern Championship Tournament.

Grove City recorded 10 shutouts in 2010 and recorded a plus-31 goal differential, one of the largest in program history. The Wolverines also set a program record by posting five consecutive shutouts during the middle of the season.

Wolverine players earned numerous postseason awards in recognition of their respective performances during the season.

Senior forward Jake Kern, senior midfielder Chuck Witt and freshman goalkeeper Chris Burgan all earned First Team All-PAC honors and junior midfielder Adam Brewer landed on the conference’s Second Team.

Witt also became the program’s first-ever College Sports Information Directors of America (CoSIDA) First Team Academic All-American following the season.

Grove City opened its 71st season of intercollegiate play with a pair of matches in Oswego, N.Y., September 3-4 at the Oswego State Tournament.

After a 1-1 draw with Alfred in the opener, Grove City notched its first victory by slipping past Sage, 1-0, in second-day action.

Sophomore Alex Ayer scored an unassisted goal in the 14th minute to put Grove City ahead. Ayer earned All-Tournament Team recognition for his effort.

A 1-0 home setback against Heidelberg September 8 evened Grove City’s record at 1-1-1 but the Wolverines rebounded three days later for a 5-0 win over visiting Hilbert at College Field.

Witt recorded his first collegiate hat trick while sophomore Andrew Quinn and freshman Richie Kocur also scored in the victory.

Quinn’s goal at 29:46 helped the Wolverines earn a 1-1 draw with unbeaten Penn State Behrend September 15, closing a three-match homestand at College Field.

The Wolverines then embarked on a midseason surge in which they won 10 of their next 12 matches, including a 5-1 mark on the road. That run began September 18 as Grove City won back-to-back matches at College Field.

Senior Chuck Witt led Grove City in scoring in 2010 and earned First Team All-PAC honors. Witt also earned All-Region and Academic All-America distinction.
2010 In Review

The Wolverines raised their record to 8-3-2 October 8 by blanking Geneva on Homecoming Weekend, 1-0. Freshman Kyle Matherne scored with six seconds left in the first half to put Grove City ahead to stay.

Grove City posted its second of five straight shutouts October 12 by rolling to a 4-0 win over visiting Thiel. Brewer scored 56 seconds into the match to give the Wolverines an early lead.

Brewer and Eckenhoff then each scored twice four days later to lift Grove City to a 4-0 win over longtime rival Bethany at College Field.

The Wolverines would follow that win with another 4-0 triumph, this time at Waynesburg October 20. Witt scored twice in the second half to help secure the win.

Grove City extended the shutout streak to five matches October 22 in a 1-0 win at Saint Vincent. Jake Kern scored off an Evan Moore assist in the 13th minute to break the scoreless tie.

The shutout streak came to an end in a non-conference setback at Fredonia State October 27.

However, Grove City quickly rebounded in the regular season finale against Thomas More as the Wolverines secured a 2-0 win at College Field. Jake Kern and Witt both scored in the final 10 minutes for Grove City.

Grove City dropped a hard-fought 2-1 decision against Bethany in the PAC Championship Tournament semifinals, ending the Wolverines' hopes for a conference title.

2010 In Review

However, Grove City earned an invitation to the ECAC Southern Championship Tournament in recognition of the Wolverines’ fine regular season.

The quarterfinal round gave the Wolverines a chance to avenge their lone conference loss as they visited No. 2 seed W&J. Grove City took full advantage of that opportunity by rolling to a 3-1 win over the Presidents November 10.

Witt and Zach Barzanty both scored early in the second half to put Grove City up 2-0 while Quinn added an insurance goal at 82:12.

Three days later, the Wolverine defense posted its 10th shutout of the season in a 1-0 semifinal victory over Misericordia in Owings Mills, Md. Eckenhoff scored off an assist from Evan Moore at 18:56 to give the Wolverines the early lead.

Grove City’s bid for the ECAC title came up just short in the championship match at fourth-seeded Stevenson University November 14.

Brewer cut the Mustangs’ lead to 2-1 midway through the second half but Stevenson pulled out a 3-1 win. Grove City finished the season 15-6-2 overall, including an 8-3-1 mark away from home.

Since its humble beginnings as a varsity sport in 1938, the Grove City College men’s soccer program has emerged as one of the region’s finest. Few programs can match the sustained level of excellence that the Grove City program has attained over the last 70 years.

The soccer program began in 1938 under the direction of legendary coach/athletic director Robert E. “Bob” Thorn.

Grove City’s rise to the area’s elite began during those formative years as the Wolverines posted a 10-3 record in the 1941-42 seasons. After a two-year hiatus in 1943 and 1944 due to World War II, Grove City continued to excel on the field.

In 1948, the Wolverines recorded their first undefeated season by going 5-0-3. Four years later, Grove City completed its first perfect season by winning all six matches on the 1952 schedule.

Grove City’s 1948 team (above) went 5-0-3 while the 1952 team (below) went 6-0-0.

Grove City followed with an 18-4-2 mark over the next three seasons. In 1956, Grove City went 7-0-0. Frank Sbrocco became the College’s first All-American as he earned Honorable Mention at outside left that season.

Ross Emerson graduated as the squad’s all-time leading scorer with 48 goals.

Grove City went 7-0-0 in 1956, Bob Thorn’s final season as head coach.

Grove City made its first appearance in the NCAA Championship Tournament in 1962.

Following Thorn’s retirement, Dan Leviton took over as head coach from 1957-61. During his tenure, Peter Buttner became the College’s first two-time All-American as he earned First Team All-America in both 1958 and 1959.

Cliff Wettig replaced Leviton as head coach in 1962 and made an immediate -- and immeasurable -- impact on the program. In his first season, Wettig guided Grove City to a 6-4-1 record and the school’s first-ever NCAA Tournament appearance.

The next year, John Mulholland earned Honorable Mention All-America at fullback as Grove City went 6-3-0.

The 1964 team set a new program record for wins by going 9-0-0. In 1965, only a 1-1 draw against Pitt kept Grove City from a second straight perfect season as the Wolverines went 8-0-1.

The 1969 squad tied the single-season program record for wins by going 9-2. Fullback Matthew Lux earned Second Team All-America that year.

The Wolverines compiled a 7-3-0 record in 1970, Wettig’s final year as head coach. Russ Trimmer then coached Grove City to a 5-3-1 mark in 1971.
**Program History**

Don Lyle became the fifth head coach in program history prior to the start of the 1972 season. After four solid seasons, Grove City broke through in 1976 and advanced to the quarterfinals of the NCAA Championship Tournament.

In the process, the Wolverines won a school-record 10 matches and advanced further in an NCAA Tournament than any other Grove City squad.

The Wolverines celebrated the country’s bicentennial in 1976 by advancing to the NCAA Division III Tournament quarterfinals.

In 1977, Grove City again broke the single-season win mark by going 11-3-0. The Wolverines closed the 1970s by going 18-5-1 in 1978-79. That run continued into the next decade as Grove City returned to the NCAA Tournament in 1980.

In 1980, Grove City won 16 matches, the Presidents’ Athletic Conference title and the ECAC Tournament.

In the process, the Wolverines won a school-record 10 matches and advanced further in an NCAA Tournament than any other Grove City squad.

The next year, Grove City shattered the single-season win record by going 16-2 and earning a share of the Presidents’ Athletic Conference crown. The Wolverines also captured the program’s first ECAC title. Greg Kreutzberg scored a school-record 25 goals.

In 1996, Grove City won 16 matches, the Presidents’ Athletic Conference title and the ECAC Tournament.

Following a 10-win season in 2000, the Wolverines then returned to the ECAC Tournament with a 13-6-1 overall record.

The new decade continued to prove bountiful for Grove City. After 23 total wins in 2003 and 2004, the Wolverines won their first-ever outright PAC title in 2005. Grove City also reached the ECAC Tournament finals.

Mike Dreves, who captained the 1995 and 1996 teams, succeeded Lyle as head coach in 2006. He guided Grove City to 11 wins and a berth in the ECAC semifinals in his first season as coach.

That year, Bob McNees became Grove City’s all-time leader in goals with 63.

In 2010, Grove City posted 15 wins and advanced to the ECAC Tournament finals. Senior Chuck Witt became the program’s first First Team CoSIDA Academic All-American following the season.

Grove City returned to the postseason in 1995 by qualifying for the Eastern College Athletic Conference Championship Tournament (ECAC).

The 1980 team made Grove City’s third all-time appearance in the NCAA Tournament.

Following a brief dry spell, Grove City rebounded in the middle of the 1980s. The Wolverines followed up a 9-4-1 mark in 1985 by going 11-2-1 in 1986. Defender Bill Juergens earned Second Team All-America honors following the 1986 season.

Robert E. Thorn ’16

After an outstanding athletic career in the local area both in high school and as a four-sport letterman at Grove City College, Robert E. “Bob” Thorn returned to campus in 1920.

During his distinguished career, he coached the basketball team, founded the soccer program and reinstated men’s tennis.

On the soccer field, Thorn directed three undefeated teams over his final nine years. Grove City accumulated a 72-28-15 record from 1938 to 1956.

At Homecoming in 1975, the College renamed its football and track facility in Thorn’s honor. Grove City re-dedicated Thorn Field Sept. 9, 2006. He was a charter member of the College’s Men’s Soccer Hall of Fame in 2001.

Frank Sbrocco ’57

Frank Sbrocco played soccer, basketball and tennis from 1953-57, earning 10 varsity letters.

Described by head coach Bob Thorn as “one of his finest athletes,” Sbrocco’s work ethic and desire enabled him to be one of the College’s all-time great multi-sport athletes.

He holds the distinction of being the first Grove City College varsity player to be declared an All-American when the National Soccer Coaches Association selected Sbrocco as an Honorable Mention All-American following the 1956 season.

As a junior, he achieved All-Region recognition at outside left. During his four years, Grove City posted a 25-4-2 mark.

Cliff Wettig

A coach for all seasons, Wettig headed the men’s soccer, basketball and tennis teams at Grove City from 1962-1971.

All three programs produced their winningest seasons to that point under his direction.

In 1962, Wettig guided the men’s soccer team to a 65-20-4 overall mark, including undefeated seasons in 1964 and 1965.

The 1962 team competed in the NCAA Championship Tournament and his 1965 squad also qualified for the NCAA Tournament.

Ross Emerson ’57

Ross Emerson earned four letters at Grove City from 1951-52 and 1955-56. During that time, he established a career scoring record of 48 goals and also earned the honor of being the only player in school history to play on two unbeaten and untied soccer teams.

In his debut, Emerson scored both goals in a 2-0 win over Westminster. He then helped lead the 1952 team to a 6-0-0 finish as a sophomore.

After two years in Korea, he returned in 1955 to set a single-game record of five goals against Indiana (Pa.). He finished his junior season with a Grove City-record 18 goals.

In 1956, Emerson led the Wolverines to a 7-0-0 season and rang up 14 more goals that season.

Peter Buttner ’61

Hailing from Germany, small in stature, yet huge on the soccer field, Pete Buttner became the first Grove City College athlete to earn multiple All-America honors in the post-World War II era.

He launched his four-year collegiate career in 1957 at center forward and earned All-America laurels in 1958 and 1959.

After his second season, Buttner participated in the North-South All-Star game in Florida. He scored two goals, including the game-winner, and earned the match’s MVP award.

Noted for his fancy footwork, ball carrying and fine defensive tactics, the 5-foot-7 lineman played all four years under head coach Dan Leviton.

Richard Manley ’67

One of Grove City’s greatest goalkeepers, Manley anchored the Wolverine defense from 1963 to 1966. Grove City posted a 30-4-2 record during those seasons -- an .861 winning percentage.

Manley helped lead Grove City to a 9-0-0 mark as a sophomore by yielding just seven goals in 1964. In 1965, the Manley-led defense allowed just seven goals while finishing with an 8-0-1 record. The 1965 team received an invitation to the NCAA Championship Tournament.

Manley twice earned All-Pennsylvania-New Jersey-Delaware honors and earned Grove City College Sportsman of the Year for 1966-67.

**ABOUT THE PAC**

Founded in 1955, the Presidents’ Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence.

Comprised of 10 select private colleges - Bethany College, Chatham University, Geneva College, Grove City College, Saint Vincent College, Thiel College, Thomas More College, Washington & Jefferson College, Waynesburg University and Westminster College - the PAC remains a unique organization in this day of high-pressure intercollegiate athletics.

With academics at the center of each member’s philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself.

During the 2005-06 academic year, Chatham, Geneva and Saint Vincent all joined the PAC.

Chatham competed for PAC championships for the first time during the 2007-08 academic year. Saint Vincent first competed for conference titles in 2010-11 and the 2011-12 year is the first year of eligibility for Geneva.

The PAC annually crowns champions in 19 sports. All-Conference status is awarded in all 19 sports.

Head coaches select all-league squads for all team sports, while in individual sports such as cross country and tennis, all-PAC accolades are based upon performances at the conference championships.

The PAC annually awards its men’s and women’s All-Sports Trophies to the schools which perform best across the board in conference competition.

Grove City won the the Women’s All-Sports Trophy in 2010-11 and W&J won the Men’s Trophy. Grove City led the conference in total All-Sports points with 109.

In 2010-11, the league named 734 student-athletes to the PAC Academic Honor Roll, which recognizes all participating student-athletes who attain a term grade-point average of 3.60 or above.

While the College has changed to meet the needs of the society it serves, its basic philosophy has remained unchanged since its founding in 1876. It is a Christian, liberal arts institution, dedicated to the principle of providing the highest quality education at the lowest possible cost.

Wishing to remain truly independent and to retain its distinctive qualities as a private school governed by private citizens (trustees), it is one of few colleges in the country that does not accept federal funds.

Affiliated with the Presbyterian Church (U.S.A.), but not narrowly denominational, the College believes that to be well-educated a student should be exposed to the central ideas of the Judeo-Christian tradition.

Grove City College offers undergraduate degrees in liberal arts, sciences, engineering, business, and music and is distinguished as a national leader in education.

Grove City’s programs in electrical and mechanical engineering are accredited by the Engineering Accreditation Commission Board of the Accreditation Board for Engineering and Technology.

The “big business school curriculum” prepares students for today’s global business reality. An extensive variety of internship opportunities are provided across the curriculum.

Grove City College wants its students to be prepared in this age of mobile information technology. Each entering freshman receives a tablet computer which is his or hers to keep upon graduation with a four-year degree. This is part of the Information Technology Initiative, a total program integrating technology across the curriculum.

All 19 of Grove City College’s intercollegiate varsity athletic teams utilize the College’s superior facilities for competition, practices and off-season training and conditioning.

Grove City’s athletic facilities have undergone numerous renovations and improvements in recent years, with more upgrades scheduled in the immediate future.

On lower campus, Robert E. Thorn Field is home to the College’s football and track and field teams. The College installed CSTurf at Robert E. Thorn Field. CSTurf is a synthetic playing surface that features polyethylene LSR grass fibers and a rubber infill system.

The College also installed lights and resurfaced the 8-lane track around the field. Grove City also reconfigured its setup for track meets during these renovations.

In 2011, the College installed a new state-of-the-art scoreboard and new bleachers on the visitors’ side at Thorn Field.

These upgrades benefit the entire campus community as the complex is used by both the College’s club sports teams and its intramural program, along with the varsity teams.

The track is also available for use by recreational walkers and joggers. The complex also features 10 all-weather tennis courts next to the stadium.

Phillips Field House, located at the north end of the complex, features several locker rooms, an athletic training room, meeting rooms and coaches’ offices. It is used by the football, track and tennis programs throughout the academic year.

The Physical Learning Center (PLC) houses the Grove City College Arena, home to the College’s basketball and volleyball programs.

The 1,800-seat Arena recently received new scoreboards, new scorer’s tables and new shotclocks.

The James E. Longnecker Pool is one of the nation’s premier small-college venues for both swimming and diving and water polo.

In addition, the PLC features the James E. Longnecker Pool, one of the premier aquatic facilities in the region. Each year, Grove City hosts the Presidents’ Athletic Conference Swimming and Diving Championships at the state-of-the-art facility.

In 2008, the College also hosted the Collegiate Water Polo Association Western Division Championships at the College Pool.

The PLC also features a second pool, the Recreational Pool, which is used by members of the College community year-round.

A fitness room featuring aerobic and Cybex equipment and a separate weight room with free and mechanized weights are also key areas of the facility.

The PLC also features six racquetball/handball courts as well as two adjacent intramural rooms. The intramural rooms each feature four basketball courts, four indoor tennis courts, four volleyball courts, an indoor track and two indoor jumping pits.

The College installed new synthetic flooring and several new electronic scoreboards throughout the intramural rooms.

The Physical Learning Center houses the athletic training room, locker rooms and offices for coaches and physical education faculty.

The College recently constructed a new office suite for coaches and athletic administration, while also incorporating its Athletic Hall of Fame area.

Grove City’s outdoor athletic facilities have also received numerous upgrades in recent years.

The varsity soccer field, College Field, was expanded and re-sodded during the summer of 2005. College Field also received a new press box during the summer of 2007.

Meanwhile, Grove City’s baseball and softball facilities recently received major facelifts as new dugouts, new fencing and electronic scoreboards were installed on both fields.
