HEAD COACH SEAN SEVERSON

Sean Severson is in his ninth season as Grove City College head men’s and women’s cross country coach.

Severson has guided Grove City’s traditionally strong program to even greater heights during his first eight seasons. Both the men’s and women’s programs have emerged on the regional and national landscape during his tenure. The women’s team has won the Presidents’ Athletic Conference title in each of his eight years and the men have won six conference crowns in that span.

In 2010, the Grove City women’s team made its first-ever appearance at the NCAA Division III Championships, placing 29th nationally. Additionally, men’s standout Garrett Cichowitz advanced to the NCAA meet for the third consecutive season on an individual basis.

Last season, the Wolverine women captured fifth place overall at the NCAA Mideast Regional Championships.

In 2009, Severson guided Grove City’s teams to top 10 finishes at the Mideast Championships. The women placed fourth and the men earned 10th place at the regional meet. Sara Fisher, Emily Pierce and Ella Smith all earned All-Mideast honors.

Since 2004, the women’s team has placed sixth or higher at the Mideast Regional seven times. Meanwhile, the men’s team achieved top 10 finishes four times in the last six years.

Two runners have achieved NCAA Division III All-America status during Severson’s tenure at Grove City. In 2004, Elisa Pedersen became Grove City’s first women’s cross country runner to become an All-American. She again accomplished that feat as a senior in 2005.

In 2007, Kristen Carter became Grove City’s second women’s cross country All-American. Overall, Grove City runners have qualified for the NCAA Championships in seven of Severson’s first eight years as head coach.

Grove City runners have earned 11 total PAC Most Valuable Performer awards over the past eight seasons. A total of 54 runners have achieved First Team All-Presidents’ Athletic Conference in that span.

Severson is also the assistant men’s basketball coach at Grove City. In that role, he is heavily involved in scouting, practice development and recruiting. He helped the basketball program earn four consecutive postseason berths along with the 2007 and 2010 conference titles.

A native of Menomonee Falls, Wis., Severson earned a bachelor of arts degree in athletic training from the University of Minnesota-Morris in May 2002. At Minnesota-Morris, Severson captained the basketball team and earned Academic All-Conference recognition from the Northern Sun Conference three times. He also earned Dean’s List honors.

Severson earned his master’s degree in health and physical education in 2004 from Adams State. He also owns Certified Strength and Conditioning Specialist distinction from the National Strength and Conditioning Association.

He lives in Grove City with his wife, Tara, and their four daughters.

SEASON PREVIEW

The Grove City College men’s and women’s cross country teams enter the 2012 season with plenty of optimism and expectations. Here is a look at each squad:

MEN’S TEAM

The men’s program will field one of the deepest and most experienced squads in recent memory as the Wolverines look to return to the top of the Presidents’ Athletic Conference in 2012.

The Wolverines will feature well over a dozen upper-classmen who will contend for spots in the lineup this autumn. Of that veteran group, five earned All-PAC recognition during the 2011 season.

Seniors Wesley Coopersmith and Tim Coyle both earned All-PAC Honorable Mention in 2011 and will be joined by four other seniors who own multiple letters.

Ben Henderson, Daniel Landskroener, Francis Ridge and Josiah Tobin all return for their final season. Ridge competed on Grove City’s conference and regional championships roster in 2010.

Also back for the 2012 season are seniors Caleb Henry and Ken Young. Henry lettered during the 2010 season and Young is entering his second season in the program.

Like the senior class, Grove City’s junior class features several men who have made notable contributions throughout their time in the Wolverine program. Three juniors earned All-PAC status in 2011, including First Team All-PAC honoree Alec Schultz.

Schultz, who earned Second Team All-PAC as a freshman, is joined by juniors Paulson Domasky and Arleigh McRae. Both Domasky and McRae captured All-PAC Honorable Mention in 2011 and each own two varsity letters.

Several other junior letterwinners will challenge for spots in the lineup, including Randy Holcombe, Matt Logie, Mike Miller, Matt Mucha and Mark Talbott.

Sophomores Peter Christiansen, Joey Clark, Patrick Hoover and Nathan Snyder will also look to break into the lineup this year after gaining experience as rookies in 2011.

WOMEN’S TEAM

The women’s team enters the 2012 season in prime position to maintain its spot among the region’s elite while also challenging for the team’s second trip to the NCAA Division III Championships in a three-year span.

Grove City returns 13 letterwinners from a squad that captured its 22nd straight Presidents’ Athletic Conference title in 2011 and concluded the season with a strong fifth-place finish at the NCAA Mideast Championships.

Among the Wolverines’ 2012 returnees are three-time All-Mideast Region performer Ella Smith, 2009 PAC medalist Sara Fisher and CoSIDA Academic All-American Mary Kate Breese. Those three seniors are part of a 10-runner senior class that is one of the largest and most talented in program history.

Smith is also a three-time All-PAC honoree while Fisher is a two-time All-PAC selection. She returns after missing 2011 due to injury. Breese has also earned multiple All-PAC honors during her collegiate career.

Senior Anna Dunsworth capped her junior season by earning Second Team All-PAC honors while classmate Hillary Wilson earned Second Team All-PAC as a sophomore.

Also back for their final season at Grove City are senior letterwinners Emily Durant, Brittany Goodwillie, Grace Hanson, Elizabeth Russell and Mary Seward.

Grove City will also feature three junior letterwinners on its 2012 roster in Cayla Clawson, Austin Powell and Laurel Skorup. Skorup captured All-PAC Second Team last year while Clawson and Powell are both two-year letterwinners.

Head coach Sean Severson will also look for several newcomers to push the veterans this fall.

Grove City will open the 2012 season September 1 by competing in the California University (Pa.) Invitational.

The Grove City College men's cross country program has spent the last several years as one of the elite teams in the Presidents' Athletic Conference and the Mideast Region.

While the 2011 season may not stack up comparatively at first glance, a deeper look shows that the Wolverines assembled another fine campaign last year.

Grove City fielded one of the youngest squads in program history in 2011 as just two seniors - fourth-year performers Tyler Gheres and Ben Lutz - dotted the roster.

Their veteran leadership helped accelerate the growth of a youthful squad that ultimately placed third in the conference.

The Wolverines’ strong finish to the season set the foundation for future successes as underclassmen filled each of Grove City’s first 10 individual spots at the conference championships October 29 in New Wilmington, Pa.

Sophomore Alec Schultz captured First Team All-PAC honors by taking sixth overall in the league while four teammates earned All-PAC Honorable Mention: juniors Wesley Coopersmith and Tim Coyle, sophomore Paulson Domasky and sophomore Arleigh McRae.

Grove City opened the 2011 season at the Westminster Invitational September 3 by placing fifth in a tightly-bunched 14-team field.

Sophomore Mark Talbott led Grove City by placing 14th, one spot ahead of Schultz.

One week later, Grove City captured second place overall at the Waynesburg Invitational as Schultz (fourth) and Talbott (sixth) both finished in the top 10.

The Wolverines finished with 58 team points, just 16 behind meet champion Muskingum.

The Wolverines returned to action October 8 by finishing 12th overall in a strong 45-team field at the DeSales Invitational in Center Valley, Pa.

Schultz placed 55th out of 448 runners while Talbott took 59th and Domasky placed 66th.

Grove City made its final preparations for the conference championships by competing in Oberlin College’s annual Inter-Regional Rumble October 15.

The Wolverines placed 23rd out of 34 teams at the meet, which featured several of the nation’s premier programs.

Following the conference meet October 29, Grove City made its first-ever appearance at the College of Wooster’s Twilight 5K Challenge November 4.

The Wolverines placed seven runners in the top 10, including freshman Peter Christiansen in fourth place, Francis Ridge in seventh, Matt Mucha in ninth and Randy Holcombe in 10th position.

Grove City concluded the 2011 season with a 23rd-place finish at the 51-team NCAA Mideast Regional Championships in Center Valley, Pa.

Schultz led the Wolverines by finishing 101st out of 328 runners while McRae came home in 114th overall. Christiansen, Coopersmith, Coyle, Domasky and Talbott rounded out Grove City’s regional entries.

2011 WOMEN’S SEASON REVIEW

To say that the Grove City College women’s cross country team entered the 2011 season with high expectations would be something of an understatement.

Saying that the Wolverines had a very successful season would be an even greater understatement.

The Wolverines captured their 23rd consecutive Presidents’ Athletic Conference championship and concluded 2011 by finishing fifth out of 56 teams at the NCAA Mideast Regional Championships in Center Valley, Pa.

Several Grove City runners received numerous individual accolades throughout the 2011 season in recognition of their success.

Junior Ella Smith earned All-Mideast Region honors for the third straight year while junior Mary Kate Breese became the program’s second all-time CoSIDA Academic All-American.

Breese, Smith and senior Mary Rachel Robbins all earned First Team All-PAC honors while sophomore Laurel Skorup and junior Anna Dunsworth both merited Second Team All-Conference laurels.

Head coach Sean Severson received the conference’s Coach of the Year award.

The Wolverines began their memorable season September 3 by taking second place at the 17-team Westminster Invitational.

Grove City, which finished second only to Division II Clarion, placed five runners in the top 30. Smith led the way by taking 14th and Skorup finished 21st, one spot ahead of Breese.

One week later, the Wolverines secured their first title of the season by winning the Waynesburg Invitational. Breese paced Grove City by finishing fifth while sophomore Austin Powell (10th place) and junior Hillary Wilson (15th) boosted the Wolverine effort.

After a brief layoff from meets, Grove City returned to action October 8 and earned fourth out of 41 teams at the rugged DeSales University Invitational.

Smith finished 25th in the 424-runner field, two spots ahead of Breese.

Grove City made its final preparations for the conference championships by competing in Oberlin College’s annual Inter-Regional Rumble October 15.

The Wolverines finished 10th in the meet, which featured 31 of the nation’s premier programs.

The tough regular-season schedule paid dividends at the conference meet as Grove City placed all seven of its runners in the top 17.

Smith took fourth overall, followed byBreese in fifth and Robbins in seventh place. Skorup took eighth place, Wilson earned 16th and sophomore Cayla Clawson captured 17th place.

Following a strong performance at the Wooster Twilight 5K November 4, Grove City concluded the season with its fifth-place effort at the Mideast Championships.

Smith finished 19th overall out of 335 runners, securing All-Region distinction. Robbins concluded her cross country career by taking 49th and Breese finished 63rd in the region.

Junior Mary Kate Breese (far left), senior Mary Rachel Robbins (left center), junior Anna Dunsworth (right center) and sophomore Laurel Skorup (far right) all helped Grove City to its 23rd straight PAC title.

Founded in 1955, the Presidents’ Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence.

Comprised of 10 select private colleges - Bethany College, Chatham University, Geneva College, Grove City College, Saint Vincent College, Thiel College, Thomas More College, Washington & Jefferson College, Waynesburg University and Westminster College - the PAC remains a unique organization in this day of high-pressure intercollegiate athletics.

With academics at the center of each member’s philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself.

During the 2005-06 academic year, Chatham, Geneva and Saint Vincent all joined the PAC. Chatham competed for PAC championships for the first time during the 2007-08 academic year.

The PAC annually crowns champions in 19 sports. All-Conference status is awarded in all 19 sports. Head coaches select all-league squads for all team sports, while in individual sports such as cross country and tennis, all-PAC accolades are based upon performances at the conference championships.

The PAC annually awards its men’s and women’s All-Sports Trophies to the schools which perform best across the board in conference competition.

W&J won the Men’s All-Sports Trophy in 2011-12 and Westminster won the Women’s All-Sports Trophy.

In 2011-12, the league named 734 student-athletes to the PAC Academic Honor Roll, which recognizes all participating student-athletes who attain a term grade-point average of 3.60 or above.

Grove City College added women’s cross country to its varsity sports program in 1986.

Jim Longnecker (left) coached cross country at Grove City from 1960 to 1971. John Barr (right) coached the programs from 1972 until 1997. Both coaches are in Grove City’s Athletic Hall of Fame.

Elisa Pedersen (left) earned NCAA Division III All-America honors in both 2004 and 2005. Kristen Carter (right) became an All-American in 2007.

Paul Cameron earned NCAA All-America honors in both 1971 and 1972 for Grove City.

Under the guidance of head coach Dr. Ted Penar (back row, far left), Grove City’s cross country program began intercollegiate competition in 1955.
Grove City’s women’s water polo team won its third straight CWPA Division III title in 2012.

Swimmer Angela Palumbo became a 15-time NCAA All-American and also earned CoSIDA Academic All-America in 2012. She became the first junior to earn Grove City Sportswoman of the Year.

Grove City’s women’s tennis team advanced to the NCAA Tournament for the fourth straight year after securing the program’s 25th straight conference title in 2011-12.

Golfer Esther Durling captured Presidents’ Athletic Conference Player of the Year honors for 2012.

Grove City’s women’s soccer program won its 200th all-time game.

Tim Boswell earned Grove City’s 2012 Senior Man of the Year award as well as CoSIDA Academic All-America honors.
In 2012, senior football player Tim Irwin became the first Grove City student-athlete in two decades to earn an NCAA Postgraduate Scholarship. Irwin also earned the College’s Sportsman of the Year award for the 2011-12 academic year.

The Grove City men’s tennis team won its 22nd straight conference title and advanced to the NCAA Tournament regional semifinals in 2012.

Junior Ella Smith earned All-Mideast Region for the third straight season after helping Grove City to fifth place overall at the Mideast Championships. Grove City also won its 22nd straight conference title.

Swimmer Ben Bowser (above left) capped his career at Grove City by earning PAC Most Valuable Performer honors for the second straight season in 2011-12.

The men’s soccer team recorded a season-high nine wins during the 2011 season.
The beautifully landscaped campus of Grove City College stretches over 150 acres and includes 28 neo-Gothic buildings. It is considered one of the loveliest in the nation.

While the College has changed to meet the needs of the society it serves, its basic philosophy has remained unchanged since its founding in 1876. It is a Christian, liberal arts institution, dedicated to the principle of providing the highest quality education at the lowest possible cost.

Wishing to remain truly independent and to retain its distinctive qualities as a private school governed by private citizens (trustees), it is one of few colleges in the country that does not accept federal funds.

Affiliated with the Presbyterian Church (U.S.A.), but not narrowly denominational, the College believes that to be well-educated a student should be exposed to the central ideas of the Judeo-Christian tradition.

Grove City College offers undergraduate degrees in liberal arts, sciences, engineering, business, and music and is distinguished as a national leader in education.

Grove City’s programs in electrical and mechanical engineering are accredited by the Engineering Accreditation Commission Board of the Accreditation Board for Engineering and Technology.

The “big business school curriculum” prepares students for today’s global business reality. An extensive variety of internship opportunities are provided across the curriculum.

Grove City College wants its students to be prepared in this age of mobile information technology. Each entering freshman receives a tablet computer which is his or hers to keep upon graduation with a four-year degree.

This is part of the Information Technology Initiative, a total program integrating technology across the curriculum.

ABOUT THE COLLEGE
All 19 of Grove City College’s intercollegiate varsity athletic teams utilize the College’s superior facilities for competition, practices and off-season training and conditioning.

Grove City’s athletic facilities have undergone numerous renovations and improvements in recent years, with more upgrades scheduled in the immediate future.

On lower campus, Robert E. Thorn Field is home to the College’s football and track and field teams. The College installed CSTurf at Robert E. Thorn Field. CSTurf is a synthetic playing surface that features polyethylene LSR grass fibers and a rubber infill system.

The College also installed lights and resurfaced the 8-lane track around the field. Grove City also reconfigured its setup for track meets during these renovations.

In 2011, the College installed a new state-of-the-art scoreboard and new bleachers on the visitors’ side at Thorn Field.

These upgrades benefit the entire campus community as the complex is used by both the College’s club sports teams and its intramural program, along with the varsity teams.

The track is also available for use by recreational walkers and joggers. The complex also features 10 all-weather tennis courts next to the stadium.

Phillips Field House, located at the north end of the complex, features several locker rooms, an athletic training room, meeting rooms and coaches’ offices. It is used by the football, track and tennis programs throughout the academic year.

The Physical Learning Center (PLC) houses the Grove City College Arena, home to the College’s basketball and volleyball programs.

In summer 2012, the College renovated the Arena by installing new lighting and a new playing floor. In recent years, the Arena has also received new scoreboards and scorers’ tables.

The James E. Longnecker Pool is one of the nation’s premier small-college venues for both swimming and diving and water polo.

In addition, the PLC features the James E. Longnecker Pool, one of the premier aquatic facilities in the region. Each year, Grove City hosts the Presidents’ Athletic Conference Swimming and Diving Championships at the state-of-the-art facility.

In 2012, the College also hosted the Collegiate Water Polo Association Division III Championships at the James E. Longnecker Pool.

The PLC also features a second pool, the Recreational Pool, which is used by members of the College community year-round.

A fitness room featuring aerobic and Cybex equipment and a separate weight room with free and mechanized weights are also keystone areas of the facility.

The PLC also features six racquetball/handball courts as well as two adjacent intramural rooms. The intramural rooms each feature four basketball courts, four indoor tennis courts, four volleyball courts, an indoor track and two indoor jumping pits.

The College installed new synthetic flooring and several new electronic scoreboards throughout the intramural rooms.

The Physical Learning Center houses the athletic training room, locker rooms and offices for coaches and physical education faculty.

The College recently constructed a new office suite for coaches and athletic administration, while also incorporating its Athletic Hall of Fame area.

Grove City’s outdoor athletic facilities have also received numerous upgrades in recent years.

The varsity soccer field, College Field, was expanded and re-sodded during the summer of 2005. College Field also received a new press box during the summer of 2007.

Meanwhile, Grove City’s baseball and softball facilities recently received major facelifts as new dugouts, new fencing and electronic scoreboards were installed on both fields.
