* - Presidents’ Athletic Conference Doubleheader
Head Coach Chelle Fuss

Chelle Fuss is in her second season as Grove City College’s head softball coach. She joined the Grove City athletic department as head softball coach and assistant women’s basketball coach in June 2006.

This spring, Fuss (pronounced “FOOSE”) will guide a youthful Grove City squad in its pursuit of the Presidents’ Athletic Conference title. During her first season as head coach, the Wolverines set numerous offensive records. Grove City also placed a program-record four players on the ESPN The Magazine/CoSIDA Academic All-District team in 2007.

Prior to coming to Grove City, Fuss spent four seasons as the head softball coach at Geneva College in Beaver Falls, Pa. She took over as the Golden Tornadoes’ head coach in 1996. After a one-year hiatus, she returned as head coach from 1998-2000.

In her four years at Geneva, she guided the Tornadoes to a 77-55 overall record. The 1999 Geneva squad became the first Geneva softball team to advance to an NAIA regional tournament.

That season, Fuss earned the National Christian College Athletic Association (NCCAA) Regional Coach of the Year award.

Fuss also held the position of assistant women’s basketball coach for four years (1994-96, 97-99) at Geneva. She then worked as Geneva’s conference services director from 1999-2006.

As a student-athlete at Geneva, Fuss excelled in both basketball and softball. As a point guard for the basketball team, she accumulated a Geneva-record 567 assists. Her 1,333 career points rank sixth in school history. She earned NCCAA All-America and NAIA All-District honors during her playing career at Geneva.

Fuss also received NAIA All-District recognition after all four years of her career in softball.

She graduated from Geneva in 1993 with a bachelor’s degree in speech and broadcast communications. She then added a master’s degree in higher education at Geneva.

Fuss and husband Matt have a son, Zane, 9 and a daughter, Logan, 7. They live in Grove City.

Assistant Holly Cullum

Holly Cullum is in her second season as Grove City College’s assistant softball coach. A native of the Dallas-Fort Worth area, Cullum assists head coach Chelle Fuss in several different areas related to the Grove City program.

In her first season at Grove City, Cullum helped Grove City set numerous statistical records.

She is a 2003 cum laude graduate of Texas A&M University, having earned a bachelor of science degree in psychology. Cullum played lacrosse all four years at Texas A&M.

Cullum then earned a master’s degree in counseling from Geneva College in 2005. She now lives in Grove City.
With several letterwinners back and an influx of talented newcomers joining the program, the Grove City College softball team enters 2008 with high hopes.

Second-year head coach Chelle Fuss welcomes seven returning full-time starters, including the entire infield.

Grove City will also rely on its newcomers this year, specifically in the circle, where a pair of freshmen will likely handle the bulk of the pitching cores.

**INFIELD**

Grove City features depth and experience around the diamond and behind the plate as the 2008 season approaches.

Senior Abby Greiner is the incumbent at catcher. A three-year starter, she drove in 30 runs and earned Second Team All-Presidents’ Athletic Conference honors in 2007.

Greiner also saw action at third base last year and could again see time there.

Sophomore Laura Miller is a returning starter at third base after taking over as the starter early in 2007. She made 21 starts as a rookie and hit .273.

Junior Amy Fisher is a two-year starter at shortstop and will again anchor the middle of the infield. She started just 19 games at shortstop last year after being pressed into emergency duty at pitcher for much of the season.

Fisher hit .430 as a freshman in 2006. As a sophomore, she led the team in walks and sacrifices.

Another junior, Rachael Risbon, is a returning starter at second base. She hit .271 in 2007 after moving to second from the outfield. Risbon made 31 total starts at second base and the corner outfield spots and will likely be one of Grove City’s most versatile players in 2008.

Several players saw action at first base in 2007. Slick-fielding sophomore Candi Van Tuil made 13 starts as a freshman and will have an inside track to start again this year.

First-year senior Kelley Smith will also challenge for time at first base.

Senior Kristen Hughes led Grove City in runs, total bases, hits, batting average and stolen bases last season. The versatile Hughes can play any one of eight positions and will again be a primary contributor this spring.

Season Preview

OUTFIELD
Graduation depleted the Grove City outfield as four-year starters Kristy Bogusz and Paula Rice both wrapped up their careers in 2007. However, Grove City’s cupboard is far from empty. Senior Krysten Fritz played in 30 games last year and is one of Grove City’s most experienced outfielders. Sophomore Cassie Narbe will challenge for a spot after making 21 appearances in 2007. Hughes and Risbon are also candidates to see time in the outfield.

PITCHING
A pair of newcomers are expected to handle the majority of the pitching duties this season: freshmen Kim Guyaux and Lauren Pennell. Fisher threw a team-leading 108 innings last year but the Wolverines hope that the addition of Guyaux and Pennell will allow Grove City to keep Fisher at shortstop, her natural position.

NEWCOMERS
In addition to Guyaux, Pennell and Smith, three other newcomers join the program this year. Sophomore Jessica Hodge will challenge for time in the outfield while freshmen Emma Holdrich and Brittany Young are also in the mix this season.

SCHEDULE
The Wolverines will open the 2008 season with a trip to Florida in mid-March. Grove City will then play 17 scheduled doubleheaders after returning north.

A new era of Grove City College softball commenced in 2007 as new head coach Chelle Fuss took control of the Wolverine program.

While the Wolverines did not accomplish all of their goals during the 2007 season, the program did establish the foundation for future successes.

Grove City opened its 28th season of intercollegiate competition with a six-game slate in Cocoa Beach, Fla. March 1-3.

The Wolverines began the trip with a double-header sweep of Milwaukee School of Engineering March 1. In the opener, Grove City accumulated 25 runs -- the second-highest single-game total in program history -- as the Wolverines earned a 25-0 victory.

Winning pitcher Lauren Carlson tripled and drove in six runs as part of a 4-for-4 outing. Her batterymate, senior catcher Kristy Bogusz, went 5 for 5 and drove in four runs.

Senior center fielder Paula Rice scored a career-high five runs from her leadoff spot.

Grove City improved to 2-0 in the nightcap with a 13-2 victory over MSOE. The Wolverines broke the game open with a nine-run second inning.

Sophomore Amy Fisher earned her first collegiate pitching victory by allowing just two runs in five innings.

The next day, Fisher homered, singled and drove in all three runs in a 4-3 setback against NAIA institution Warner Southern.

In the nightcap against Warner Southern, Grove City pounded out 11 hits but stranded 11 runners in a 7-2 defeat.

The Florida trip concluded with a doubleheader against NAIA Carlow March 3. Carlow earned an 8-4 win in the opener, despite Kristen Hughes' three-hit performance.

In the nightcap, Grove City led 4-3 in the top of the eighth but Carlow rallied for a 5-4 win. Fisher allowed just three earned runs but absorbed the setback. Abby Greiner and Rachael Risbon both doubled and singled in Game Two against Carlow.

The Wolverines opened the northern portion of the 2007 schedule March 27 in Latrobe, Pa. against incoming conference foe Saint Vincent.

Greiner cracked a three-run homer in third to give Grove City a 3-0 lead.

Saint Vincent responded with a seven-run third inning but Grove City reclaimed the lead in the top of the fourth with a six-run outburst. Bogusz’s bases-clearing double highlighted the inning.

However, the Bearcats would rally again and hold on for an 11-9 win. Inclement weather postponed the second half of the doubleheader.

Grove City earned its first northern win of 2007 March 29 against NAIA member Ursuline as the Wolverines earned a 4-2 victory in the nightcap of a doubleheader.

Fisher did not allow an earned run in seven innings to earn the victory. She also doubled and singled at the plate.

After eight games against conference opposition, the Wolverines stepped out of league play to sweep a doubleheader with provisional Division III member Franciscan University April 13. The Wolverines amassed 32 runs and 32 hits during the home sweep.

Five days later, Grove City completed its doubleheader with Saint Vincent by picking up a 2-1 home win.

Risbon went 3 for 3 in the victory while Fisher allowed an unearned run in earning the pitching win.
2007 Review

One day later, Fisher fired a one-hitter as Grove City earned a 2-1 victory over Penn State Behrend in the opener of a home doubleheader. Fisher carried a no-hitter into the fifth inning and faced just 23 total batters.

Bogusz’s two-run double in the bottom of the sixth gave Grove City the lead. Hughes also doubled in the victory. Behrend rebounded to take the nightcap, though, 4-2, which snapped Grove City’s four-game win streak.

The Wolverines broke through in conference play April 27 by rallying for a 6-5, 11-inning victory at Waynesburg. Grove City trailed 2-1 entering the seventh but Rice tripled with two outs and then scored on a Fisher single.

In the top of the 11th, Risbon poked a go-ahead single and the Wolverines held on for the win.

Grove City wrapped up the home schedule May 1 with a 10-2 win over Penn State Beaver on Senior Day.

Freshman third baseman Laura Miller belted a three-run homer in the third, igniting the Wolverines’ six-run outburst. Carlson picked up the win for Grove City.

Grove City players received numerous honors during the 2007 season. Bogusz, Greiner, Hughes and Rice all earned Second Team All-Presidents’ Athletic Conference.

Fisher, Greiner, Rice and Risbon all earned ESPN The Magazine/CoSIDA Academic All-District recognition.

The Presidents’ Athletic Conference

Founded in 1955, the Presidents’ Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence.

Comprised of 10 select private colleges - Bethany College, Chatham College, Geneva College, Grove City College, Saint Vincent College, Thomas More College, Washington & Jefferson College, Waynesburg College and Westminster College - the PAC remains a unique organization in this day of high-pressure intercollegiate athletics.

With academics at the center of each member’s philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself.

During the 2005-06 academic year, Chatham College, Geneva College and Saint Vincent College all joined the PAC. Chatham will compete for PAC championships for the first time during the 2007-08 academic year. Geneva and Saint Vincent are playing full conference schedules during their time as provisional members of NCAA Division III.

The PAC annually crowns champions in 19 sports. All-Conference status is awarded in all 19 sports. Head coaches select all-league squads for all team sports, while in individual sports such as cross country and tennis, all-PAC accolades are based upon performances at the conference championships.

The PAC annually awards its men’s and women’s All-Sports Trophies to the schools which perform best across the board in conference competition. Washington & Jefferson won the Men’s All-Sports Trophy in 2006-07 while Westminster won the Women’s All-Sports Trophy.

In 2006-07, the league named 537 student-athletes to the PAC Academic Honor Roll, which recognizes all participating student-athletes who attain a term grade-point average of 3.60 or above.

PAC PLAYER OF THE YEAR
Jennifer Pancake, Westminster
PAC COACH OF THE YEAR
Jan Reddinger, Westminster
The beautifully landscaped campus of Grove City College stretches over 150 acres and includes 27 neo-Gothic buildings. It is considered one of the loveliest in the nation.

While the College has changed to meet the needs of the society it serves, its basic philosophy has remained unchanged since its founding in 1876. It is a Christian, liberal arts institution, dedicated to the principle of providing the highest quality education at the lowest possible cost.

Wishing to remain truly independent and to retain its distinctive qualities as a private school governed by private citizens (trustees), it is one of few colleges in the country that does not accept federal funds.

Affiliated with the Presbyterian Church (U.S.A.), but not narrowly denominational, the College believes that to be well-educated a student should be exposed to the central ideas of the Judeo-Christian tradition.

Grove City College offers undergraduate degrees in liberal arts, sciences, engineering, business, and music and is distinguished as a national leader in education.

Grove City’s programs in electrical and mechanical engineering are accredited by the Engineering Accreditation Commission Board of the Accreditation Board for Engineering and Technology.

The “big business school curriculum” prepares students for today’s global business reality. An extensive variety of internship opportunities are provided across the curriculum.

Grove City College wants its students to be prepared in this age of mobile information technology. Each entering freshman receives a notebook computer which is his or hers to keep upon graduation with a four-year degree.

This is part of the Information Technology Initiative, a total program integrating technology across the curriculum.

The College believes that its student body has a unique mix of talents and abilities. Its Career Services program helps students identify those key assets during the first year and then builds a four-year strategy to help them pursue a satisfying career.

Personal counseling, professional speakers, databases, alumni contacts, summer internships, corporate visits, employer presentations and more are incorporated into the career preparation experience. Grove City follows the semester calendar plan, in addition to offering two-week sessions in January and May.

Most of the 2,500 students live in separate men’s and women’s dormitories. The rest are local commuters or married students. A full program of cultural, professional, athletic and social activities is offered, including 19 intercollegiate varsity athletic teams.

Grove City, a town of 8,100 people, is located 60 miles north of Pittsburgh. It is located near Interstates 79 and 80 and has a municipal airport.

All 19 of Grove City College’s intercollegiate varsity athletic teams utilize the College’s superior facilities for competition, practices and off-season training and conditioning.

Grove City’s athletic facilities have undergone numerous renovations and improvements in recent years, with more upgrades scheduled in the immediate future.

On lower campus, Robert E. Thorn Field is home to the College’s football and track and field teams. During the summer of 2006, the College installed CSTurf at Robert E. Thorn Field. CSTurf is a synthetic playing surface that features polyethylene LSR grass fibers and a rubber infill system.

Lights were also added at Robert E. Thorn Field while the 8-lane track around the field was resurfaced.

These upgrades benefit the entire campus community as the complex will now be used by both the College’s club sports teams and intramural program, along with the varsity teams.

The track is also available for use by recreational walkers and joggers. The complex also features 10 all-weather tennis courts next to the stadium.

Phillips Field House, located at the north end of the complex, features several locker rooms, an athletic training room, meeting rooms and coaches’ offices. It is used by the football, track and tennis programs throughout the academic year. Several upgrades to the facility were recently made.

The Physical Learning Center (PLC) houses the Grove City College Arena, home to the College’s basketball and volleyball programs.

The 1,800-seat Arena recently received new scoreboards, new scorer’s tables and new shotclocks.

Grove City College installed CSTurf, lights and new track and field competition areas at Robert E. Thorn Field in summer 2006.

In addition, the PLC features the Grove City College Pool, one of the premier aquatic facilities in the region. Each year, Grove City hosts the Presidents’ Athletic Conference Swimming and Diving Championships at the state-of-the-art facility.

In 2008, the Pool will host the Collegiate Water Polo Association Western Division Championships.

The PLC also features a second pool, the Recreational Pool, which is used by members of the College community year-round.

A fitness room featuring aerobic, Cybex and free weight equipment is an integral part of the PLC. Expansion of the fitness room is a key-stone of the Center’s ongoing renovations.

The PLC also features six racquetball/handball courts as well as two adjacent intramural rooms. The intramural rooms each feature four basketball courts, four indoor tennis courts, four volleyball courts, an indoor track and two indoor jumping pits.

New synthetic floors were installed in the intramural rooms in summer 2006.

The building houses an athletic training room, locker rooms and offices for coaches and physical education faculty. In 2004, the College constructed a new office suite for coaches and athletic administration.

Grove City’s outdoor athletic facilities have also received numerous upgrades in recent years. The varsity soccer field, College Field, was expanded and re-sodded during the summer of 2005. College Field also received a new press box during the summer of 2007.

Meanwhile, Grove City’s baseball and softball facilities received major facelifts in 2007 with new fencing and electronic scoreboards scheduled to be installed for the 2007-08 academic year.
