A new era of Grove City College women's tennis begins in 2012 as Jeff Buxton takes over as head women's and men's tennis coach.

Buxton is the fourth head women's tennis coach in the program's 40-year history.

He joined the College's athletic department in July as head tennis coach and as an assistant professor of physical education and exercise science.

Buxton comes to Grove City after spending nine years as the general manager of One on One Fitness Consultants in State College, Pa.

In that position, Buxton developed One on One's personal fitness training program and educational curriculum. He also coordinated and oversaw the development of all staff members.

Buxton also served as a guest lecturer for the Penn State University Kinesiology Club and various kinesiology classes.

Buxton has been certified as a National Academy of Sports Medicine Enhancement Specialist and as an ACE Certified Personal Trainer.

He earned a bachelor's of science degree in kinesiology/movement science from Penn State in 2003.

He completed his master of science in exercise science and health promotion at California University of Pennsylvania in December 2010.

A native of Wyoming, Pa., Buxton is married. He and his wife have a son and a daughter.
The watchword for the Grove City women’s tennis team in 2012 is “new.” The Wolverines will feature plenty of new faces in the lineup this fall after graduating five seniors from the starting lineup.

Grove City will also be led by new head coach Jeff Buxton, who takes over after Joe Walters retired from the College after 40 years of service, including five years as women’s tennis coach.

Grove City welcomes back two starters in junior Lauren Troxel and sophomore Caroline McGuire.

Troxel played extensively in doubles action last year and captured the Presidents’ Athletic Conference title at third doubles.

She will likely be a key component in both the singles and doubles lineups this season.

McGuire, meanwhile, highlighted her rookie season by winning the league title at fifth singles.

She also emerged in doubles play and won the conference crown at second doubles.

Like Troxel, McGuire will be counted on in both singles and doubles action this year.

Sophomore Caroline McGuire is a returning starter for Grove City. She earned her first letter in 2011-12 after winning two conference titles as a freshman.

Junior Lauren Troxel moved into the starting lineup during the 2011-12 season and is a defending league champion at third doubles.

Three other second-year veterans return after seeing action as reserves as rookies: Kaitlyn Heese, Danielle Mendheim and Leah White.

All three will look to break into the starting lineup on a full-time basis this year.

Several newcomers will also look to challenge for starting spots this season.

The Wolverines open the 2012 season September 8 against conference foe Chatham.

Once again, the conference champion receives an automatic invitation to the NCAA Division III Championship Tournament.

Grove City has earned that automatic berth in each of the last four seasons.
Returning Players

Kaitlyn Heese
Sophomore • 5-4
Shorewood, Wis.
Dominican

Second-year performer who will contend for starting spot this season. AS A FRESHMAN: Saw duty as a reserve during 2011-12 season ... Made collegiate debut with 6-1, 6-0 win at sixth singles against Washington & Jefferson October 7, 2011. NOTABLE: English major.

Sophomore Leah White is one of several returning veterans who will look to break into the starting lineup on a full-time basis this season.
The Grove City College women’s tennis team concluded another historic season in 2011-12 as the Wolverines remained atop the Presidents’ Athletic Conference and advanced to the NCAA Division III Championship Tournament.

Those two significant accomplishments helped extend noteworthy streaks for the Wolverine tennis program.

Grove City captured its 25th consecutive conference title and participated in the NCAA Tournament for the fourth straight year.

The 2011-12 season proved to be a fitting conclusion for five seniors who all held spots in the singles lineup.

Senior Stacy Moon captured the conference’s Player of the Year award after winning the PAC title at first singles.

Senior Reena Barnett earned the league championship at No. 4 singles while seniors Megan Bennett and Christina Bedi both secured conference crowns in doubles action.

Senior Emily Buurma placed second at sixth singles in the conference championships.

Head coach Joe Walters, who retired at the end of the season, earned the conference’s Coach of the Year award after guiding the Wolverines to their title.

Bennett also earned Capital One/CoSIDA Academic All-America honors for the second consecutive season, becoming just the seventh Grove City student-athlete to earn multiple CoSIDA Academic All-America citations. Additionally, Barnett, Bennett, Buurma, Moon and freshman Leah White all earned placement on the conference’s Academic Honor Roll. As a team, Grove City received the Intercollegiate Tennis Association’s Team Academic Award.

While seniors grabbed a lot of the headlines in 2011-12, Grove City also received significant contributions from its underclassmen.

Freshman Caroline McGuire worked her way into the lineup during preseason camp and ultimately capped her rookie season with league titles at both fifth singles and second doubles.

Sophomore Lauren Troxel closed her first full season in the lineup by teaming with Bedi to win the PAC’s third doubles championship.

Freshmen Kaitlyn Heese, Danielle Mendheim and White all saw limited duty as newcomers, yet combined for an undefeated record in varsity play when called upon.

After a season-opening 6-3 setback to NCAA Division II foe West Liberty September 1, Grove City bolted out to a 5-0 record in conference play. The Wolverines commenced league play with an 8-1 win at Bethany, followed by shutouts of Waynesburg, Geneva and Thiel.

Grove City improved to 6-1 overall September 27 with an 8-1 non-conference win at Penn State Behrend.
2011-12 In Review

Narrow 5-4 setbacks against Westminster and Allegheny only enhanced the Wolverines’ resolve for the second half of the season. The Wolverines closed the fall schedule by winning four of their last five matches prior to the conference championships.

At the PAC Championships in Erie, Pa., October 21-22, Grove City asserted control of the team standings by winning the league title in each of the three doubles flights.

Bennett and Moon dropped just two games in three matches on their way to the first doubles title while the Barnett-McGuire tandem seized an 8-3 win in the second doubles finals over Westminster’s Dana Larson and Lauren Latinovich.

Bedi and Troxel completed the doubles sweep in the third flight by upsetting Westminster’s Heather Santa and Lauren Fling in the finals, 8-6.

Moon yielded just six games in three matches at first singles and Barnett also recorded three straight-set wins in the fourth singles draw.

McGuire nailed down Grove City’s third individual title in the fifth singles bracket, surrendering only five total games in three straight-set triumphs.

Grove City highlighted its spring schedule with wins over Penn State Behrend and Division II Clarion.

As conference champion, the Wolverines earned an automatic invitation to the NCAA Tournament. Grove City visited perennial powerhouse Mary Washington in the opening round May 11 in Fredericksburg, Va.

Mary Washington ended Grove City’s run by pulling out a 5-0 victory in a regional quarterfinal match.

About the PAC

Founded in 1955, the Presidents’ Athletic Conference continues its mission of promoting intercollegiate athletics and the pursuit of academic excellence.

Comprised of 10 select private colleges - Bethany College, Chatham University, Geneva College, Grove City College, Saint Vincent College, Thiel College, Thomas More College, Washington & Jefferson College, Waynesburg University and Westminster College - the PAC remains a unique organization in this day of high-pressure intercollegiate athletics.

With academics at the center of each member’s philosophy, the PAC is built on the principle that an athletic program is a part of college life, but not an entity in itself.

During the 2005-06 academic year, Chatham, Geneva and Saint Vincent all joined the PAC. Chatham competed for PAC championships for the first time during the 2007-08 academic year. Saint Vincent first competed for conference titles in 2010-11.

Geneva became eligible for conference titles in 2011-12.

The PAC annually crowns champions in 19 sports. All-Conference status is awarded in all 19 sports. Head coaches select all-league squads for all team sports, while in individual sports such as cross country and tennis, all-PAC accolades are based upon performances at the conference championships.

The PAC annually awards its men’s and women’s All-Sports Trophies to the schools which perform best across the board in conference competition.

W&J won the Men’s All-Sports Trophy in 2011-12 and Westminster won the Women’s All-Sports Trophy. Grove City finished second with 114 total All-Sports points.

In 2011-12, the league named 734 student-athletes to the PAC Academic Honor Roll, which recognizes all participating student-athletes who attain a term grade-point average of 3.60 or above.

PAC Player of the Year: Stacy Moon, Grove City
PAC Coach of the Year: Joe Walters, Grove City
Grove City's women's water polo team won its third straight CWPA Division III title in 2012.

Golfer Esther Durling captured Presidents' Athletic Conference Player of the Year honors for 2012.

Swimmer Angela Palumbo became a 15-time NCAA All-American and also earned CoSIDA Academic All-America in 2012. She became the first junior to earn Grove City Sportswoman of the Year.

Grove City's women's tennis team advanced to the NCAA Tournament for the fourth straight year after securing the program's 25th straight conference title in 2011-12.

Tim Boswell earned Grove City's 2012 Senior Man of the Year award as well as CoSIDA Academic All-America honors.
In 2012, senior football player Tim Irwin became the first Grove City student-athlete in two decades to earn an NCAA Postgraduate Scholarship. Irwin also earned the College's Sportsman of the Year award for the 2011-12 academic year.

Swimmer Ben Bowser (above left) capped his career at Grove City by earning PAC Most Valuable Performer honors for the second straight season in 2011-12.

The Grove City men's tennis team won its 22nd straight conference title and advanced to the NCAA Tournament regional semifinals in 2012.

Junior Ella Smith earned All-Mideast Region for the third straight season after helping Grove City to fifth place overall at the Mideast Championships. Grove City also won its 22nd straight conference title.
The beautifully landscaped campus of Grove City College stretches over 150 acres and includes 28 neo-Gothic buildings. It is considered one of the loveliest in the nation.

While the College has changed to meet the needs of the society it serves, its basic philosophy has remained unchanged since its founding in 1876. It is a Christian, liberal arts institution, dedicated to the principle of providing the highest quality education at the lowest possible cost.

Wishing to remain truly independent and to retain its distinctive qualities as a private school governed by private citizens (trustees), it is one of few colleges in the country that does not accept federal funds.

Affiliated with the Presbyterian Church (U.S.A.), but not narrowly denominational, the College believes that to be well-educated a student should be exposed to the central ideas of the Judeo-Christian tradition.

Grove City College offers undergraduate degrees in liberal arts, sciences, engineering, business, and music and is distinguished as a national leader in education.

Grove City’s programs in electrical and mechanical engineering are accredited by the Engineering Accreditation Commission Board of the Accreditation Board for Engineering and Technology.

The “big business school curriculum” prepares students for today’s global business reality. An extensive variety of internship opportunities are provided across the curriculum.

Grove City College wants its students to be prepared in this age of mobile information technology. Each entering freshman receives a tablet computer which is his or hers to keep upon graduation with a four-year degree.

This is part of the Information Technology Initiative, a total program integrating technology across the curriculum.

The College believes that its student body has a unique mix of talents and abilities.

Its Career Services program helps students identify those key assets during the first year and then builds a four-year strategy to help them pursue a satisfying career.

Personal counseling, professional speakers, databases, alumni contacts, summer internships, corporate visits, employer presentations and more are incorporated into the career preparation experience.

Grove City follows the semester calendar plan, in addition to offering two-week sessions in January and May.

Most of the 2,500 students live in separate men’s and women’s dormitories. The rest are local commuters or married students.

A full program of cultural, professional, athletic and social activities is offered, including 19 intercollegiate varsity athletic teams.

Grove City, a town of 8,100 people, is located 60 miles north of Pittsburgh. It is located near Interstates 79 and 80 and has a municipal airport.

All 19 of Grove City College’s intercollegiate varsity athletic teams utilize the College’s superior facilities for competition, practices and off-season training and conditioning.

Grove City’s athletic facilities have undergone numerous renovations and improvements in recent years, with more upgrades scheduled in the immediate future.

On lower campus, Robert E. Thorn Field is home to the College’s football and track and field teams. The College installed CSTurf at Robert E. Thorn Field. CSTurf is a synthetic playing surface that features polyethylene LSR grass fibers and a rubber infill system.

The College also installed lights and resurfaced the 8-lane track around the field. Grove City also reconfigured its setup for track meets during these renovations.

In 2011, the College installed a new state-of-the-art scoreboard and new bleachers on the visitors’ side at Thorn Field.

These upgrades benefit the entire campus community as the complex is used by both the College’s club sports teams and its intramural program, along with the varsity teams.

The track is also available for use by recreational walkers and joggers. The complex also features 10 all-weather tennis courts next to the stadium.

Phillips Field House, located at the northern end of the complex, features several locker rooms, an athletic training room, meeting rooms and coaches’ offices. It is used by the football, track and tennis programs throughout the academic year.

The Physical Learning Center (PLC) houses the Grove City College Arena, home to the College’s basketball and volleyball programs.

In summer 2012, the College renovated the Arena by installing new lighting and a new playing floor. In recent years, the Arena has also received new scoreboards and scorers’ tables.

The James E. Longnecker Pool is one of the nation’s premier small-college venues for both swimming and diving and water polo.

In addition, the PLC features the James E. Longnecker Pool, one of the premier aquatic facilities in the region. Each year, Grove City hosts the Presidents’ Athletic Conference Swimming and Diving Championships at the state-of-the-art facility.

In 2012, the College also hosted the Collegiate Water Polo Association Division III Championships at the James E. Longnecker Pool.

The PLC also features a second pool, the Recreational Pool, which is used by members of the College community year-round.

A fitness room featuring aerobic and Cybex equipment and a separate weight room with free and mechanized weights are also key areas of the facility.

The PLC also features six racquetball/handball courts as well as two adjacent intramural rooms. The intramural rooms each feature four basketball courts, four indoor tennis courts, four volleyball courts, an indoor track and two indoor jumping pits.

The College installed new synthetic flooring and several new electronic scoreboards throughout the intramural rooms.

The Physical Learning Center houses the athletic training room, locker rooms and offices for coaches and physical education faculty.

The College recently constructed a new office suite for coaches and athletic administration, while also incorporating its Athletic Hall of Fame area.

Grove City’s outdoor athletic facilities have also received numerous upgrades in recent years.

The varsity soccer field, College Field, was expanded and re-sodded during the summer of 2005. College Field also received a new press box during the summer of 2007.

Meanwhile, Grove City’s baseball and softball facilities recently received major facelifts as new dugouts, new fencing and electronic scoreboards were installed on both fields.
